Club/Organization Formation Process

Thank you for your interest in forming a club or organization at Charleston Southern University! Please read the following information carefully. The entire process does take time, so we ask for your patience and compliance.

**Step One:** Fill out the *Intent to Organize* form located within this packet. This form gives you up to six (6) weeks to advertise and hold meetings with the intention of recruiting members. You are *not* allowed to hold formal events—only advertising and general meetings are permitted. Once you have the proper signatures, please return this form (and all associated paperwork) to the Director of Student Activities, located in the Brewer Center Student Activities Suite.

**Step Two:** Find fifteen (15) members interested in your organization and provide names, signatures, and student ID numbers.

**Step Three:** Find a full time faculty member who is willing to serve as the club/organization adviser. The faculty member shall read and sign the *Adviser Confirmation Form*.

**Step Four:** Compose a Constitution for your club/organization. If you are associated with an off-campus organization, such as a nationally recognized organization, you must submit a copy of their Constitution to the Director of Student Activities with two additional paper copies for the Dean of Students and the Student Government Association.

**Step Five:** The approval process begins! The Director of Student Activities will read and approve (or disapprove) the Constitution. If the Director of Student Activities approves, the *Intent to Organize* form will be signed, and you will be given the contact information for the Student Government Association.

**Step Six:** Once all forms have been completed and approved by the Director of Student Activities, your club/organization will be given a date to appear before the Student Government Association. Appearance before the Student Government Association determines your approval as a recognized club/organization on campus. Once approved, the club/organization is officially recognized and entitled to all rights and privileges afforded to all recognized clubs/organizations.

**Step Seven:** You will receive a *Welcome Packet* from the Director of Student Activities or the Student Government Association.

**Step Eight:** The President of Pan-Hellenic will schedule a meeting with your club/organization. In this meeting, the President will go over the club/organization handbook, which includes the general rules and policies for all clubs/organizations on campus.
