STUDENT HANDBOOK

Your Passport to Purpose

Office of Student Life

CHARLESTON SOUTHERN UNIVERSITY 9200 University Blvd, Charleston, SC 29406

Our Vision: To be a Christian university nationally recognized for integrating faith in learning, leading, and serving.

Value Proposition: Preparing Servant Leaders to Pursue Significant Lives

BIBLICAL CORE VALUES

Scripture: 2 Timothy 3:16, “All scripture is given by inspiration of God, and is profitable for doctrine, for reproof, for correction, for instruction in righteousness.” The Bible is the inerrant and infallible record of God’s revelation to humanity, and it is the only sufficient source of appeal on matters relating to the Christian faith.

God: Genesis 1:1, “In the beginning, God created the heavens and the earth.” John 1:3 “All things were made by him; and without him was not anything made that was made.” There is one and only one living and true God. The historical account of Genesis decrees that He is the personal and direct Creator of all that exists, including the first human beings Adam and Eve. To Him we owe the highest love, reverence, and obedience.

Jesus Christ: John 14:6, “Jesus said unto them, I am the way, the truth, and the life: no man cometh unto the Father but by me.” God made provision through Christ for the redemption of sinful humanity by His substitutionary atonement on the cross, and He alone is sufficient as Savior.

Salvation: John 3:16, “For God so loved the world that he gave his only begotten Son, that whosoever believeth in him should not perish, but have everlasting life.” Salvation involves God’s gracious redemption of individuals and is offered freely to all who accept Jesus Christ as personal Lord and Savior by repentance and faith.

Life of the Believer: Romans 12:2, “And do not be conformed to this world, but be ye transformed by the renewing of your mind, that ye may prove what is that good and acceptable and perfect will of God.” Christians are to be consistent with Scripture in their character and conduct.

Evangelism and Missions: Acts 1:8, “But ye shall receive power, after that the Holy Ghost is come upon you: and ye shall be witnesses unto me both in Jerusalem, and in all Judea, and in Samaria, and unto the uttermost part of the earth.” It is the privilege and duty of every Christian to share the gospel of Christ personally and by all other methods in harmony with the gospel.

BIBLICAL DESIGN FOR HUMAN SEXUALITY

We believe that all people should be treated with dignity, grace, and holy love, whatever their sexual beliefs. Sexuality is one of the ways by which the marriage covenant between a husband and a wife is sealed and expressed. Marriage is God’s unique gift to reveal the union between Christ and His church and to provide for the man and the woman in marriage in the framework for intimate companionship, the channel of sexual expression according to biblical standards, and the means for procreation of humanity. It is important to note that Christian teaching on marriage and sexuality is in the narrative of all Scripture – from Genesis to Revelation. Marriage, gender, and sexuality are not just appendages tacked onto Scripture but are icons of the gospel and human flourishing (Matthew 19:4-6; Ephesians 5:22-33; Hebrews 13:4).

Sex misses its purpose when treated as an end or when cheapened by using another person to satisfy pornographic and sinful sexual interests. We view all forms of sexual intimacy that occur outside the covenant of heterosexual marriage, even when consensual, as distortions of the holiness and beauty God intended for it. Furthermore, gender is determined by biological sex rather than self-perception. The promotion of transgenderism fails to uphold the university’s core values.

SPIRITUAL LIFE

Whitfield Center for Christian Leadership 218-219

P: 843-863-7972

E: campusministries@csuniv.edu

We are passionate about sharing the Gospel of Jesus Christ and equipping you to grow and flourish in your calling. Our staff seeks to create a culture of discipleship that raises a generation to live for His name. Our mission is for Jesus Christ to be glorified by having lives transformed through teaching, discipleship, and immersion (life on mission).

Our vision is to Reach, Raise, Release. This means reaching people with the Gospel (Romans 1:16), raising them in the Scripture (2 Timothy 3:16), and releasing them to change the world (Matthew 28:19-20). Our mission is to see Jesus glorified by having lives transformed through teaching, evangelism, discipleship, and life on mission (being immersed in the culture) and therefore, proclaiming the gospel of Jesus Christ by creating a discipleship culture that raises a generation to live for His name. Teaching, discipleship, and immersion are essential to fulfilling the Great Commission of Matthew 28:19-20. At CSU, you can learn more about the Word of God, being disciplined in your personal life, and being immersed into a life on mission to proclaim Christ's name to the lost.

CHAPEL

This is an opportunity to worship with the campus community and connect with the thoughts and heart of Jesus. Chapel is held weekly in the Lightsey Chapel on Wednesdays at 11 a.m.

The objectives of Chapel are to:

- Provide Christ-centered programs through music, drama, and messages
- Provide an atmosphere conducive to the growth of Christian fellowship
- Lead the CSU community through significant times of personal and corporate worship
- Provide opportunities for evangelism challenging the campus community to experience God's love and forgiveness through a personal relationship with Jesus Christ
- Complement the discipleship programs sponsored by CSU Campus Ministries
- Introduce examples and techniques of personal faith development
- Encourage an overall enthusiasm for campus life at CSU.

ELEVATE

CSU's weekly campuswide worship night is designed to minister to our campus community. Join students from all denominations as we exalt the name of Jesus together as the body of Christ. When you come to Elevate, you can expect to hear a Spirit-given word, have time to pray with other believers, and be led in worship by the Elevate Band. This is a time to come as you are and find rest and renewal in the presence of Jesus Christ.

The student led Elevate Worship Team consists of students from all denominations who desire to lead students into a deeper relationship with Jesus Christ. The Worship Team meets to pray and practice once a week and serves each week during Elevate, Chapel, and other opportunities as needed. If you are interested in joining our Elevate Worship Team, please reach out to Campus Ministries.

Elevate is at 8 p.m. every Thursday in Lightsey Chapel.

D-GROUPS

D-Groups are the backbone of spiritual growth. D-groups are an opportunity for students to gather and study God's word with the goal of becoming a disciple of Christ and creating discipleship relationships that will be

cultivated in and outside of weekly small group gatherings. D-group leaders are prayerfully and discerningly chosen and have a strong passion and calling to shepherd you in your walk with Christ.

To find a small group that is right for you and your schedule, complete the form at <https://bucswin.groupvitals.com/form>. Groups meet weekly at various times and locations to best meet the varied schedules and needs of students.

If you are interested in leading a group, please email campusministries@csuniv.edu.

PARACHURCH MINISTRIES

At CSU, we have a variety of parachurch ministry partners that come under the Campus Ministries umbrella. These include Fellowship of Christian Athletes, Campus Crusade for Christ, Charleston Wesleyan Foundation, Ratio Christi, Campus Outreach, Young Life, and Veterans Ministry. If you would like any information regarding any of our parachurch ministry partners, please email campusministries@csuniv.edu.

MISSION TRIPS

Engage partnerships encourage a spirit of service between the CSU family and the local community. Matthew 20:28 states, “Just as the Son of Man did not come to be served but to serve, and to give his life as a ransom for many.” Jesus came to serve the people. When we serve others, we give our lives away to them just as Jesus did for us. Community service is the link we use to reach our community and fulfill our university’s vision of integrating faith in learning, leading, and serving. Like Elijah, we are not only to serve our CSU community but those in need outside of our borders (Luke 4:24-27).

CHURCH SERVICES

All students are encouraged to attend the church of their choice. Many have special programs for college students. Representatives from area churches will be on campus during Bucky’s Welcome the first Saturday after move-in to meet students and provide transportation information. If you have any questions about transportation to church, please contact us! Summit Church meets every Sunday at 11 a.m. in Lightsey Chapel.

STUDENT INVOLVEMENT

Student Center 2nd Floor

Charleston Southern competes in 16 sports at the NCAA Division I level and is a charter member of the Big South Conference, which also includes: Campbell University, Gardner-Webb University, High Point University, Longwood University, Presbyterian College, Radford University, UNC Asheville, USC Upstate, and Winthrop University.

CSU has won over 30 Big South Championships and has appeared in the NCAA postseason tournaments in Men's Basketball, Baseball, Softball, Women's Tennis, Men's and Women's Track, and FCS Playoffs.

Charleston Southern University is committed to providing an outstanding athletic program in a Christian environment. In conjunction with the academic and Christian philosophy of the institution, a sound athletic program is a fundamental component of the educational development of our students. The athletic department, through its coaches, administrators, and staff, is committed to providing a program that will strive to uphold the highest standards of fairness, student-athlete welfare, gender equity, and good sportsmanship.

STUDENT ORGANIZATIONS

With 50+ organizations at Charleston Southern University, there are plenty of ways to get involved. There are six categories of CSU Student Organizations: Academic Student Organizations, Graduate Student Organizations, Greek Student Organizations, Honor Societies, Service Student Organizations, and Student Ministries. To learn more about which Student Organizations are right for you, visit [the Student Organization website](#), or stop by the Associate Dean for Student Engagement office on the second floor in the Student Center!

STUDENT GOVERNMENT ASSOCIATION

Members of the Student Government Association are students enrolled full-time at CSU who are entitled to the rights and privileges therein. These student representatives are elected or appointed to serve in the three branches: executive, legislative, and judicial. The SGA enables students to participate in achieving the goals of the institution and to receive preparation for citizenship and leadership. For information on getting involved in student government, see Student Activities.

STUDENT HEALTH

FIRST AID

CSU does not have a medical staff or a first aid dispensary. However, for minor injuries such as cuts and abrasions, the university maintains a well-stocked first aid kit in the Security Office in Quad 3. All Residence Life and Campus Security personnel are trained in basic first aid and CPR.

First aid assistance may be obtained anytime by dialing 2020 on CSU landline phones. In addition, Trident Regional Medical Center, with emergency room facilities, is located immediately across the street from the university. If you or your roommate require medical attention, please notify Campus Security and/or your Resident Assistant as soon as possible.

HEALTH INSURANCE

CSU requires health insurance only for athletes, athletic training students, and international students. However, the university strongly recommends that all other students obtain at least major medical insurance and advises that the institution will bear no financial responsibility for medical treatment(s) required while at the university. If an athletic insurance plan is desired while attending the university, the Head Athletic Trainer may be contacted at 843-863-7681. If an international insurance plan is desired while attending the university, the Office of International Programs may be contacted at 843-863-7382. We have several people in the area who can assist students in purchasing health insurance policies.

International students will automatically be billed semiannually by the Business Office for the required health insurance purchased by the university on their behalf. This insurance has been carefully selected to compare to coverage normally available to U.S. citizens through their parents' or employer's group plan. It provides coverage for illness, office visits, and accidents. Additionally, it provides repatriation or medical evaluation to the home country if necessary. Refusal of this insurance by international students will result in denial of admission to the university or continuation if already admitted. Questions on international insurance and all other international matters may be directed to the Office of International Programs at 843-863-7382.

Health insurance is also required for all students admitted to the nursing program (those taking nursing courses, not pre-nursing). Students admitted to the physician assistant program are also required to have health insurance.

STUDENT HEALTH

Charleston Southern University has partnered with [Roper St. Francis Express Care](#) on University Blvd. to provide excellent sick care for our full-time, undergraduate students. Roper St. Francis Express Care is open 7 days a week, from 8 a.m. until 8 p.m. and is located at 8901 University Blvd., N. Charleston, SC 29406 (less than 1 mile from campus) and can be reached by dialing 843-203-2245. All CSU full-time undergraduate and graduate students will receive one free visit per major semester (Fall & Spring) simply by presenting their CSU Student ID when checking in. Please note COVID testing is not a part of this plan. We recommend students bring at least two COVID-19 tests with them to school.

Here is what is covered in an office visit at Roper St. Francis Express Care, University Blvd.:

- diagnosis and treatment of minor injuries and administration of first aid
- initial evaluation for allergies
- nutritional diagnosis and counseling
- orthopedic evaluation of injuries to bones, muscles, and joints within the scope of a primary care practice
- dermatological problems
- initial diagnosis and need for simple physical therapy

- illness care
- minor procedures
- prescriptions for pharmaceuticals as indicated
- basic x-ray
- up to 2 POS lab tests (excludes COVID tests) for the following: Urinalysis, Pregnancy, Flu, Streptococcal A, Mono, Glucose finger stick
- sutures

IMMUNIZATION REQUIREMENTS

University policy requires resident students to provide proof of the following immunizations for their protection prior to admittance to the Residence Halls: Tetanus, DPT, Polio, Measles, Mumps, Rubella, Tuberculin, and Hepatitis B, as well as a negative result on a Tuberculosis Screening in the past year. The Meningitis and Flu Vaccines are recommended. If it is learned a student is residing at CSU without having been properly immunized, suspension from the residence halls and/or blocking of that student's registration for subsequent semesters may result. Proof of immunization should be submitted to the Residence Life Office prior to students moving on campus. Questions regarding immunization may be directed to the Residence Life Office at 843-863-7190.

The Department of Residence Life collects student immunization forms for housing purposes only. Upon submission of immunization form documents, they become property of Charleston Southern University and will only be used for university purposes. Students submitting immunization forms should retain a copy for their personal records. Immunization forms are not readily available once students graduate, as they are archived. Immunization forms will not be faxed or mailed to current students. Current residential students may request a copy of their immunization form in person with a picture ID.

Silent Witness

Charleston Southern University provides 24-hour armed security patrols on campus. Coverage utilizes a combination of trained professional university and contracted security officers. Although the university makes every reasonable effort to provide a safe and secure environment, it is up to everyone to always exercise due care to protect his or her personal safety. While on campus, all students should always have their Charleston Southern University Student ID cards in their possession. ID cards are free for the first one and are issued in the Campus Security Office located in Quad 3. Replacement ID cards cost \$10 and may be paid online at MY CSU. Just bring proof of payment to the Campus Security Office for a replacement ID. A crime-stoppers program called Silent Witness is also available for students to report crime confidentially. Anyone may submit a Silent Witness report online at charlestonsouthern.edu.

CAMPUS SECURITY PRECAUTIONS

Residents should keep their rooms, suites, outside doors, and vehicles locked.

Retain possession of your keys. Do not loan them to others.

Report lost or stolen items immediately to the Campus Security office. Fill out a theft report regardless of the amount or value of the items lost.

Record the serial number of any item of value.

Mark any item with an identification mark and keep a record of it. CSU security has an engraver if needed.

Cooperate with the residence hall staff, Campus Security, and police.

Students are advised to purchase insurance for their possessions if they are of great value; the university is not liable for lost or stolen items.

VEHICLE & PARKING REGULATIONS

University regulations require that all motor vehicles owned and/or operated by students on campus be registered and display a current vehicle permit issued before the beginning of the Drop/Add date of the current semester, or within 24 hours any other time a vehicle is brought onto campus.

Permits are purchased online at the CSU web page under the Campus Security section. You will be directed to a page for Rydin/Permit Express to purchase your decal. You will receive a temporary parking permit for your dash and a decal will be mailed to you upon completion of the purchase. CSU charges \$82.00 per permit. Permits must be displayed prior to the beginning of the Drop/Add date of the current semester.

Failing to display a permit by the beginning of the Drop/Add deadline will result in a fine of \$100.00 per occurrence, plus processing fees. Tickets can be paid online at Rydin/Permit Express website.

Parking in a handicap space results in a fine of \$100.00, plus processing fees.

All other parking violations result in a fine of \$20.00, plus processing fees, per occurrence.

Permits are valid through August 1st of each year. Permits must be displayed on the lower driver's side windshield. Failure to display one's permit properly is a violation.

Physically handicapped students may obtain special parking consideration by submitting a request to the Campus Security Office located in Quad 3.

Except for the field across from the football stadium, parking on the grass anywhere on campus is a violation.

All resident student vehicles must be the property of the student, their spouse, or parents. Resident students may not drive to class and are required to park in their designated lot.

Registered drivers are responsible for any violations involving their vehicle. A security hold will be placed on accounts with unpaid tickets.

The university assumes no responsibility for the care or protection of any vehicle or its contents while on university property.

Vehicle maintenance is not allowed on campus at any time.

Temporary permits are issued by the Campus Security Office, located in Quad 3.

EARTHQUAKE PROCEDURE

Major earthquakes are not common; however, there are certain precautions that should be taken in the event of an earthquake. The most important thing to remember is if a student is inside, he/she should stay inside; if the student is outside, he/she should stay outside. If indoors, take cover under a heavy desk, table, or alongside an inside wall. Stay away from glass. Do not use candles, matches, or other flames during or after the tremor because of possible gas leaks. If outdoors, move away from buildings and any utility wires.

HURRICANES

When a hurricane warning has been issued for the area, the campus will be closed, and all curricular and extracurricular activities canceled.

FIRE PREVENTION/SAFETY

Every residence hall room is equipped with a smoke detector. Procedures for fire alarms/drills are listed on the back of each door. Students are expected to be familiar with and follow these procedures in case an alarm should sound. The following regulations follow the recommendations of the State Fire Marshall:

CSU policy prohibits smoking on campus

Except by approved methods or in the residence hall kitchens in the new residence hall, Women's North and Quad 3, cooking is not allowed in the residence halls (see cooking)

Ironing is permitted only on an ironing board

All exits must always be clear of obstructions

Only flame proof curtains are permitted in the residence hall rooms

Hanging items from a light fixture is not allowed

No burning of incense or candles is permitted

FIREARMS, WEAPONS & EXPLOSIVES

Students shall not possess any type of firearm, flammable liquid, or explosive on campus anywhere, anytime. This includes hunting rifles, target weapons, handguns, BB guns, airsoft guns, hunting knives, bottle rockets, roman candles, stun guns, and pepper spray. Possession or use of firearms and explosives, including fireworks and bottle rockets, will result in disciplinary action and may include expulsion from the university.

Exceptions: The above restrictions do not apply to Sworn Police Officers and to persons authorized to carry concealed weapons pursuant to Section 16-23-430, Article 4, Chapter 31, Title 23, Code of Laws of South Carolina, 1976, when the weapon remains inside an attended or locked motor vehicle and is secured in a closed glove compartment, closed console, closed trunk or in a closed container secured by an integral fastener and transported in the luggage compartment of the vehicle. Anyone bringing weapons to campus may be asked to produce their legally issued Concealed Weapons permit. Removal of the weapon from the security of the vehicle while on campus regardless of the reason is a felony violation of the law and a violation of Charleston Southern University's Student Code of Conduct.

LOST & FOUND

Lost and found is in the Security Office on the first floor of Quad 3.

ROOFS/LEDGES

Students are not allowed on the roofs/ledges of any campus building. Violators will be subject to disciplinary action.

SOLICITATION

No person or organization, excluding Charleston Southern University students and/or properly chartered student organizations, is allowed to solicit on campus without prior approval from the Vice President for Business Affairs.

The menu changes constantly and features fresh produce, vegetarian and gluten-free options, breakfast waffles, made-to-order entrées, grill favorites, pizza, pasta, sandwiches, home-style options, and much more. And you can't miss our Fried Chicken Wednesdays or Sundae Fridays! It's tradition.

Students requiring special diets should submit a written request to the director of disability services accompanied by a doctor's recommendation and specified diet by the first week of each session. The request will be evaluated, and a special diet will be provided by dining services, or an exception to the meal requirement will be granted.

In case of illness, permission for a to-go box, usually picked up by a friend, must be obtained from the Dean of Students' Office prior to the meal. Otherwise, all food is to be consumed in the dining hall unless you are taking yours to go as well. Please do not abuse your unlimited second privilege by taking food from the dining hall. Please bus your own plates to the dish return area. This not only helps the dining staff, but it is also a courtesy to your

fellow students. Please do not borrow plates, bowls, glasses, or silverware. Though you may take these with the intention of returning them, quite often these items never make it back to the dining hall.

Special services offered by dining services include birthday cakes, ice cream socials, picnics, banquets, and receptions. All of these, and more, are available through the Catering Office. For more information visit the [Catering Website](#).

MEAL PLANS

Charleston Southern resident meal plans are tied in with their room and board automatically. Full-Time Commuters are assigned a \$75 Declining Balance Meal Dollars. All Full-Time and Part-Time Students living off campus may purchase a Meal Plan through the Dining Services Office.

There are several computer labs available for student use on campus. These labs are provided to aid students with coursework, conduct research and to communicate with others. Labs are to be used in a considerate and responsible manner. No food or drinks are allowed in the labs. Please keep paper waste to a minimum (see printing below). For operational issues, contact the Lead Technical Support Specialist at 843-863-7035. Lab locations are as follows:

Ashby Hall Lab Room 203 (Networking Lab)	Ashby Hall Lab Room 207 (Networking Lab)
Ashby Hall Lab Room 208 (Networking Lab)	Norris Hall Lab Room 210
Nursing Lab Room 130 (nursing students receive precedence)	Nursing Lab Room 129 (nursing students receive precedence)

Bibliographic Instruction/Library Tech (BILT) Center - Library 2nd floor. Available when library classes, workshops, and training sessions are not being held. Hours of operation are posted on the doors or call the library at 843-863-7951.

PRINTING

Printing in the computer labs is controlled by a program called PaperCut. To print, each student must login to the program using his or her MyCSU username and password. Once logged in, the print job will print to the chosen printer. Students will need to login to approve each print job they send to the printer. Students should use the Print Preview option to check their print job before logging in to print. Students can check their balance at any time by logging into PaperCut and clicking the details link. Students will then be able to login to their account balance page and check their balance. Each academic year, all students are given an \$11.25 credit to their print account. Computer labs have black and white printers that charge \$0.05 a page. Color printers can be found in the library; the charge for color is \$0.25 a page. Once the initial credit is depleted, students can add funds via their BucCard Account. Any unused credit will expire at the end of summer. For questions about printing, contact the Lead Technical Support Specialist at 843-863-7035.

CABLE TELEVISION SERVICE

Charleston Southern University provides cable television with High-Definition channels available to all dorm rooms. To receive our cable television service, ensure your television has a built-in Digital Tuner. Some TV brands do not have a tuner compatible with the CSU cable system. Known brands that are incompatible are Dynex, Element, and Westinghouse. Once on campus you can program your TV to receive all channels by performing a channel scan.

ACCEPTABLE USE POLICY

We are pleased to offer students at Charleston Southern University the opportunity to access the internet from the university computers in the computer labs and the library. Access is also available in all the residence halls on campus. Access to the internet will enable students to explore thousands of libraries, databases, and files throughout the world.

The internet is an integral part of coursework for students to conduct research and to communicate with others. Access to network services is given to students who agree to act in a considerate and responsible manner. Students who do not choose to act in a responsible manner are subject to disciplinary action as determined by the executive director of technology. These penalties include but are not limited to verbal/written warnings, temporary loss of privileges, permanent loss of network privileges, and referral to the dean of students.

PRIVILEGES

Charleston Southern University students may access the internet within limitations to facilitate diversity and personal growth in technology, informational research skills, and communication skills. Access is provided free of charge to all students in the computer labs and library except for predetermined lab fees that are required for some classes. Access in the residence halls is provided free of charge to all registered resident students.

While in the library or computer labs, CSU students may use the following methods for retrieving information from the internet: file transfer protocol (FTP), HTTP (web browsing) and electronic mail. When accessing the internet from the residence halls students are permitted to use the same methods as outlined above but are also allowed to use various chat programs, media players, and other online resources.

RESIDENCE LIFE

The Office of Residence Life strives to create an environment that is conducive to the intellectual, emotional, spiritual, and relational well-being of each residential student. The integration of faith in learning, leading, and serving produces opportunities for Residence Life to partner in building a thriving learning community within our residence halls. The Residence Life Department is made up of both professional staff members and student work-studies. The universities on campus housing are made up of eight residence halls - Women's North & South, Russell East & West, Quads 1, 2, 3, and the New Residence Hall - as well as access to our hotel, the Wingate by Wyndham. The Wingate by Wyndham is conveniently located on campus and was constructed to serve as a residence hall in the event the other eight resident halls have reached full capacity. All halls within Residence Halls are single gender.

INSURANCE & PERSONAL PROPERTY

The university is not responsible for items stolen, lost, or damaged from students' residence hall rooms or their vehicles. Students are encouraged to examine their parents' and/or guardians' homeowner's policy to ensure that their property is covered. For this reason, all students under 20 years of age who are enrolled as full-time students and classified as dependent (except veterans and married couples) must live on campus.

Students must reach the age of 20 prior to the start of a major semester to reside off campus. Students may reside with their parents, grandparents, aunts, or uncles, provided that their permanent address is in the Charleston area for tax purposes. Relatives must be of a reasonable parental age. Also, students who have lived in the residence halls for four consecutive major semesters, but who still have not reached 20 years of age will be considered for an exception. These are the only exceptions that will be considered and other requests that do not meet the above criteria may not be approved. Failure to follow this policy will result in the student being billed for the cost of the room and board. For further questions about this policy, contact the Dean of Students Office at 843-863-8008.

Change in Full-Time Status: The Dean of Students, considering all appropriate prevailing circumstances, will review and decide on the continued eligibility for campus housing of students who cease to retain full-time status during a major semester. Any resident that drops below 12 academic hours during the academic semester may be required to move off campus.

ROOM REGISTRATION

Residential students are not automatically registered for a room each semester. Students desiring to be a resident should follow the Residence Life guidelines as outlined here and on the Residence Life webpage.

To sign up for a room returning students should:

Be sure that all accounts with the business office are clear.

Register for fall or spring semester classes (at least 12 hours) and retain proof of registration via class schedule.

Fill out the Housing Application under "Current Residents" through the MyCSU website.

Pay room deposit (at the cashier's window or online)

CSU's Residence Life will post a schedule with the date, time, and location for room registration (by academic class) accordingly. In the fall, residential students desiring to reside on campus in the spring should confirm their room through MyCSU.

ROOM ASSIGNMENTS

All residence hall floors are single gender. The university classifies gender according to a student's gender based on his/her birth certificate. New students' room assignments are released in mid-May, and assignments are made on an ongoing basis thereafter. Every effort is made to match roommates based on the information provided on the roommate questionnaire and individual discussions with CSU's enrollment counselors. At the end of the drop/add period there is an open room switch should problems arise. By this time most people have made new friends, or problems between roommates have been worked out. Students must complete a room change request form, and permission to change rooms must be approved by a Residence Life Coordinator prior to the move.

ROOM CHANGE POLICY

After the first drop/add period at the beginning of the semester, students are given the opportunity to request to change rooms and/or roommates at a time designated by the Residence Life Office. Students may NOT move into any room other than the one assigned to him/her without the approval of the RLC or Assistant Dean for Residence Life. Violation of this policy could result in a fine and/or immediate withdrawal from campus housing. The university reserves the right to move a student to another room and will provide as much notice as possible to residents.

Further, if a student wants to change his or her room assignment during the academic year, he/she must do it through the Residence Life office. Requests must be given to the requestor's RLC. The RLC and RA will then make a recommendation to the Assistant Dean for Residence Life. The Assistant Dean for Residence Life will only entertain the request after peer mediation exercises have been attempted.

After the first week of classes, Residence Life will do an inventory of vacancies within the residence halls. When necessary, residents may be required to move to another room or receive a new roommate to consolidate unassigned space. If a resident is assigned and occupies a disability-adapted room, the resident may be required to change rooms at any time if there is a need to accommodate a resident with a permanent or temporary disability.

ADA HOUSING POLICY

Any qualified student with a disability requesting reasonable accommodation at Charleston Southern University will need to:

Provide a letter (written by the student) requesting accommodation and complete the Medical Documentation for Housing Request form. The request must include the name of the handicap or disability and a statement concerning how the handicap or disability affects the student's living arrangements. The request must also include the specific accommodation requested.

Present formal documentation of the disability or make the necessary arrangements to have his/her documentation mailed, faxed or hand-delivered to the director of disability services in the Student Success Center.

Each case will be individually evaluated by the Office of Disability Services with respect to the documentation presented and the accommodation requested. The student will receive a letter from the Office of Disability Services notifying him/her whether the accommodation is approved.

Students requiring ADA accommodation should notify the Office of Residence Life. Returning residential students should notify the Office of Residence Life prior to the start of room sign-ups. The deadline for new students requesting modified housing accommodation is the same as the deadline for the housing application.

Students with housing needs will be accommodated only if they submit their housing contract within the time limits established by the Office of Residence Life, or if the requested accommodation is available at the time of the student's request. The intent to request housing accommodation that the student includes on the Housing Accommodation form DOES NOT take the place of the housing application required by the Office of Residence Life.

RESIDENCE HALL CHECK-IN/CHECK-OUT

Each student must officially check in and out with the appropriate housing official at the beginning and end of each semester. Moving into a residence hall without following the proper procedure will result in a \$100 fine. Improper check-out will result in a \$100 fine as well. These fines apply to early or late check ins/check outs without prior approval. All students must be properly checked out 24 hours after their last exam. All residents must check out 24 hours the day following their last exam. Any items left behind when a student checks out, when not returning for the next session, or when student has not completed a waiver, will be considered abandoned and discarded. The university will not be held accountable for these items. If a student is required to stay on campus for commencement, an athletic season, or for the Summer I session, he or she must go to the Residence Life Office to sign up for a late stay and a late check-out time. Residents required to stay for commencement must sign up for a time to check out in the Residence Life Office and must be checked out by 5 p.m. the day of commencement.

EARLY ARRIVAL POLICY

Only essential personnel will be considered to move onto campus prior to the start of a semester. A formal request must be made from athletics or the CSU group leader to the Office of Residence Life at least a month in advance. This will be done on a case-by-case basis. Only athletes or those involved in the athletic program currently in season or students who need to be on campus due to a school-related function/activity will be considered for housing.

CSU staff members responsible for the group will be given written approval for resident students to check-in to campus housing prior to the start of the semester from the Assistant Dean of Residence Life.

The coach/group leader will communicate the early check-in information with members of the group. Team/Group members are expected to arrive during the time agreed upon by Residence Life and the group leader/coach. Early/late check-in is unacceptable. Members of the early check-in group should sign-up to receive a room assignment prior to the early check-in date. Members without a room assignment prior to the scheduled early check-in date will not be allowed to check-in early. New students should complete all housing requirements and receive a room prior to their early check-in date and time.

Residents from the Charleston metro area are discouraged from checking in early; however, upon request and as availability permits, residents from the Charleston metro area may check-in early.

EXTENDED STAY POLICY

CSU policy states all residential students must leave campus within 24 hours after their final exam. Any athletic team or university organization required due to competition or other university related activities should follow the Extended Stay policy. Only essential personnel will be considered to remain on campus between semesters. This will be done on a case-by-case basis. Requests should be made at least a month in advance to the Dean of Students or Assistant Dean of Residence Life by the team's coach or group's leader. The group leader will be held responsible for the conduct of their student group. Residents from the Charleston metro area are discouraged from

staying late; however, upon request and as availability permits, residents from the Charleston metro area may remain on campus.

ROOM SEARCH & SEIZURE

Authorized representatives (including but not limited to the VP for Student Life, Dean of Students, Associate Dean of Students, Assistant Dean of Residence Life, Residence Life Coordinators, & CSU security) of CSU have the right to enter any space at any time for the purpose of inspecting for cleanliness, orderliness, maintenance of space and equipment, assessing damages, investigating possible infractions, and enforcement of university rules and regulations. No one other than authorized representatives of the university, will enter a student's room without the student's permission. Individuals are always responsible for articles or substances present, whether brought to their room by themselves or others. Neither students nor their personal belongings, vehicles or residence hall rooms will be subject to arbitrary searches. If, however, reasonable suspicion exists to believe that a search will reveal that university regulations or public laws are being violated by the presence on campus of a prohibited substance, article, or individual, a search for such substance, article, or individual may be conducted by any member of the university administration or staff, including resident assistants and security personnel. Reasonable suspicion includes, but is not limited to, words, actions, or anonymous tips, which are suspicious in the opinion of an official. Charleston Southern University reserves the right to use drug detection canines to preserve the safety, health, and welfare of the campus.

ROOM HEALTH & WELLNESS INSPECTION

Room health and wellness inspections are conducted at the beginning of each month. Additional room inspections are conducted as needed. Students are notified 24 hours in advance of scheduled inspections. Health and Wellness inspections are intended to inspect the cleanliness of residents' rooms while also examining the well-being of each resident. It is each resident's responsibility to complete the roommate/suitemate agreement form and always maintain a clean room and bathroom.

Penalties:

First: warning and re-inspection within 24 hours.

Second: \$25 fine, with more frequent room inspections and on occasion random room inspections.

BED BUG POLICY

Charleston Southern University and the Office of Residence Life are proactive in preventing bed bugs. The senior management team and Residence Life staff at the university treat bed bugs in a proactive manner throughout each academic year and between major semesters.

In the event of a confirmed case of bed bugs, CSU's Residence Life staff will have the room treated within 24 hours of confirmation. If unable to treat the day of a confirmed case, Residence Life will allow the student(s) to relocate to another approved room within CSU's Residence Halls until treatment has been conducted. Following treatment of a room, students will return to their original room.

Charleston Southern University will treat a confirmed case; however, in the unlikely event that a second case occurs, the student(s) may be held responsible for treatment charges. Residential students are reminded to clean their rooms daily, and wash and dry their bed linens to minimize the possibility of bed bugs.

Students who choose to bring outside furniture to be used in their residence hall must know the origin of the item(s). Students may bring new furniture or furniture from home or other trusted sources. However, students should use extreme caution when bringing furniture, home goods, and/or clothing purchased at secondhand stores,

yard sales, or other venues where the history of the item is unknown. These items may contain bedbugs or other types of insect infestations. Students who bring in outside furniture found to be the source of the infestation may be held liable for costs incurred for treatment.

Residence Life staff will work with each resident student to ensure treatment is conducted quickly and effectively. Residents should follow guidelines outlined by the Residence Life staff prior to and after treatment.

CLOSURE POLICY

All students must vacate the residence halls during official school breaks and closings, except for Fall Break, Thanksgiving, and Spring Break. No students may remain on campus during the Christmas break. Food service is not provided during any break.

COOKING POLICY

Thermostatically controlled coffeepots, popcorn poppers, and low ampere microwave ovens are permitted in the residence halls. Due to fire safety and sanitation regulations, no other types of cooking equipment are allowed, including cookers, air fryers, and hot plates.

Students may bring their own refrigerator (no larger than 3.5 cubic feet).

CRISIS INTERVENTION

To maintain the integrity of the residence halls, students are expected to conduct themselves in a considerate manner regarding the rights, obligations, and safety needs of others. Accordingly, students are obliged to live in a cooperative manner with their roommate and other residence community members. Trained and caring staff members aid the students experiencing temporary emotional crisis or psychological need. Long-term assistance cannot be expected in the residence hall setting and must be obtained through local, private sources, or community agencies. Students requiring long-term assistance may be evaluated as to their suitability for continued residence status. To provide students with timely and quality assistance, residence hall staff are required to follow standardized procedures whenever a student alludes to or engages in self-destructive or disruptive behavior. This behavior includes but is not limited to remarks about suicide, threats of suicide, and suicidal gestures, or any self-harm attempts. All potential suicide situations will be reported by hall staff, so that arrangements for a mental health evaluation can be made. Similar behavior which disrupts the residence hall community may result in disciplinary action. Should a student refuse assessment by CSU Counseling Services or a local provider of his or her choice once an evaluation has been deemed necessary, the Residence Life Office may deny the student's continuance either as a resident or university enrollee.

DAMAGE POLICY

Students are responsible for the condition of their room and the public areas of the residence halls. If damage occurs for which no one assumes responsibility, charges will be divided among residents of the room or suite. Damage to the hall will be charged to everyone on the hall. Charges for damage to public areas of a residence hall will be divided among residents of the entire hall. Damage because of a guest's behavior will be charged to the host. Anyone witnessing damage should report it to the nearest Community Leader, RA, RLC, Campus Security officer, or the Residence Life Office (7104 or 7103).

Students are prohibited from pouring food into the dorm room sinks. Students will be charged for the cost of repairs and could be fined between \$75 and \$100 if it is determined that the plugged drainpipe was caused by food being put down the drain.

FURNITURE POLICY

University-owned furniture may not be removed from rooms. This includes room, lobby, and lounge furniture. Students moving lounge furniture without permission will be subject to a \$100 fine. The university provides basic furniture (including, but not limited to a bed, desk, and dresser). Students are not allowed to loft beds on other furniture or construct a lofting system. Furniture and personal belongings must be kept at least 36 inches from the front of the air conditioning units, so that airflow is not restricted, and air conditioning units are not damaged.

FLAG/POSTER POLICY

No posters, flags, or other decorations are to be publicly displayed and visible from the outside of any residence hall, resident's room, or university building. Posters or flags may be used to decorate the inside of the room if roommates agree the décor does not violate university standards. All bulletin boards, white boards, or any décor used to decorate the outside of the hall or door, must be appropriate and align with the mission of CSU.

BED RISERS

These are guidelines for safely raising and supporting a residential hall bed frame to allow for space underneath. The raising of bunk beds (beds that are attached) is prohibited. Students are not allowed to loft beds on other furniture or construct a lofting system. Students can loft their beds by using approved bed risers.

Bed Risers are approved if:

The bed frame or riser cannot be moved.

No damage is done to the bed frame when attached to the riser.

Bed Risers are not approved if:

The bed frame legs do not fit in the frame.

The bed frame legs are wobbly or not held tight from moving side to side and back and forth.

The riser itself moves on the floor, rocks, or tips over.

The riser damages the floor.

The riser is made of cinder blocks, bricks, wood slabs or boards, etc.

Please note that all bed frames on campus are not the same. If there are any further questions, contact housing.

INSECTS AND PEST POLICY

The university treats in and around buildings on a regular basis, but there are several steps you can take to prevent insect problems:

Submit a [maintenance request work order](#).

Keep snacks in tightly covered containers.

Do not allow damp or dirty clothes to accumulate.

Do not keep trash in rooms longer than one week.

Keep AC units between 68-70 degrees.

KEY POLICY

Each resident will be issued a key when checking into his or her room. There will be a \$75.00 charge for lost keys. When applicable, residents will receive a FOB. Damaged or lost fobs are \$15.00. Keys and fobs should not be loaned to anyone else.

SUMMER HOUSING

Students are only allowed to occupy the residence halls during the summer months if they meet one of the following criteria:

They are required by their athletic team to be here to participate in practice and/or competition.

They are registered for at least three credit hours on campus.

They have special permission from the Assistant Dean of Residence Life.

VISITATION POLICY

Guests must be of the same gender as the occupant and at least 16 years of age. A Guest Registration form should be completed with the Residence Life Office prior to Noon the Friday before the guest arrives. Overnight guests may spend a weekend night (Friday and Saturday) provided satisfactory sleeping arrangements have been worked out with roommates, suitemates, or hall mates. No guests are allowed during exam week. Guests, including other CSU students, will not be allowed to stay in any room unless the host is present. Exceptions to this policy may be granted by the Assistant Dean for Residence Life. No babysitting is allowed in Residence Halls.

Visitors are not allowed in the residential areas between the hours of 11 p.m. and 9 a.m. During this time only resident students are authorized to enter and leave their respective halls. Women's residence halls are secured from 11 p.m. to 6 a.m. At no time should any male be inside the glass doors at either end of the hall in women's residence halls. Visitors should be received only in the public lounges.

Residents' rooms and hallways are always off limits to persons of the opposite sex other than designated Open House hours. Only designated lounges are to be used for visiting the residence halls. The only exceptions are check-in and check-out days when it is permissible before 5 p.m. Permission from the RLC is required. Violators of this regulation shall be subject to immediate disciplinary action.

OPEN HOUSE POLICY

The Residence Hall Open House Program is designed to encourage academic study, fellowship, and spiritual development. The program will permit guests of the opposite sex to visit a student's room during designated time periods.

Open House will be held from 6-11 p.m. on Monday, Tuesday, and Wednesday and from 6-11 p.m. on Friday and Saturday. All roommates must give their approval for a guest to visit during the prescribed visitation hours. Students may gather in other areas like Littlejohn Parlor and the Buc Stop Grill outside of Open House.

Students and guests of the opposite sex who desire to visit in residence hall housing must check-in at the appropriate station (see below). Visitors should report to the designated area for each residence hall and call the person he or she intends to visit. Visitors must leave their college ID or driver's license at the check-in station. Guests must wait in the designated area until the resident arrives to escort him/her to the room. Unescorted guests and guests who do not check-in will be denied Open House privileges and will be subject to additional disciplinary action.

Women's North and Women's South: Check-in at Littlejohn Parlor.

Russell East and Russell West: Check-in at Russell East/Russell West computer lab.

New Residence Hall: Check-in at the 1st floor Lobby

Due to the structural layout of the buildings and difficulty monitoring student activity, visitation will not be allowed in the Quads, the Wingate by Wyndham Hotel or any other off-campus accommodation provided by the university. Only male residents are allowed to enter the Quads or Quads common areas.

Residents must always escort guests while in the residence hall. This includes the water fountain and bathroom. Guests are not allowed to use the bathroom in the dorm room. Instead, they must use a bathroom in the common areas of Littlejohn, Russell building breezeways, and bathroom in the lobby of the New Residence Hall.

Doors to rooms where students are participating in Open House must always remain unlocked and open. If the door is closed, residents will be considered in violation of the CSU Student Code of Conduct. Violators will lose Open House privileges for a designated time and may be fined and/or suspended from the residence halls and/or university. All participants must pass a Room Inspection prior to program involvement.

Residents must have a light on in the room whether it be an overhead light or a lamp.

If you are living in the New Residence Hall, all guests must stay in the common space of the suite.

Guests are prohibited from sitting or lying on the bed of the residents. Guests must be always sitting up in the resident's room.

If a student does not report a visitation violation, he/she will be guilty of violating visitation.

All students must remain appropriately attired during the Open House period. Only students assigned to the room or guests of the same sex may sit on beds. All guests of the opposite sex will either sit in chairs or on the floor.

Parents and siblings may visit their student during non-Open House hours when preapproved by an RLC, the Assistant Dean for Residence Life or Dean of Students. Siblings must be accompanied by a parent when visiting during non-Open House hours as approved by an RLC, the Residence Life Director or Dean of Students.

The Residence Hall supervisor on duty during Open House will continuously check all rooms observing Open House. Supervisors will check to see if visitors have properly signed in. Students submitting false information concerning Open House guidelines (room numbers, student ID, etc.) will be denied Open House privileges and may be subject to additional disciplinary action.

All Open House participants must reclaim their ID/driver's license no later than 11 p.m. by returning to the appropriate station for check-out. After 11 p.m. RAs will check residence halls and notify the RLC on duty of any ID cards/driver's licenses that have not been picked up. This information will be turned over to the Security Officer on duty, and disciplinary action will be taken. There should be no males in the female buildings or hallways after 11 p.m.

Students are expected to honor the Open House guidelines. Flagrant violations of these guidelines will result in the loss of Open House privileges for the specific floor, residence hall or all campus housing.

All students and guests must conduct themselves in a proper manner according to the regulations of CSU as indicated in the CSU Student Handbook.

Propping open any doors used as entrances or exits from buildings during Open House is strictly forbidden and will result in disciplinary action for students who are found to be responsible for such activity.

Students on disciplinary probation are ineligible to participate in the Open House program.

The maximum number of occupants per room participating in Open House is six. Group gatherings larger than six will be restricted to the common areas in the Residence halls.

Violation of the Residence Halls Visitation Policy during any non-Open House scheduled times will result in a fine of \$100 and loss of Open House privileges. Warnings will not be given. If a student violates the policy, he or she will be charged.

PET POLICY

Pets, except for fish, are not allowed in the residence halls. This includes birds, cats, dogs, hamsters, and reptiles. Fish tanks should not exceed 10 gallons. Residents requiring special accommodation due to a disability should contact Disability Services to discuss their options.

PREGNANCY POLICY

Scripture urges believers to seek wise and godly counsel when faced with significant or difficult life choices (Proverbs 11:14).

Charleston Southern University (CSU) wants to assist students involved in an unplanned pregnancy to consider the options available to them within the Christian moral framework. These include marriage of the parents, single parenthood, or placing the child with an adoptive family. With each option, CSU stands ready to support and equip students in their decision and encourages unmarried students to reach out to Residence Life staff, Counseling and/or the Campus Minister.

Abortion goes against the values of unique personhood and creation in the image of God – it is inherently anti-scriptural and incompatible with the core beliefs of the university (Genesis 1:27, Psalm 139:13-18 & Jeremiah 1:5).

University personnel stand ready to help those involved as they consider the meaning of their actions, deal with the consequences, and experience the forgiveness that comes from repentance (1 John 1:9). The university is committed to responding in a redemptive manner, seeking to balance compassion with accountability. Students can be expected to be treated with Christian love as they deal with their new circumstances. The university will counsel parents of the student regarding financial aid, scholarships, grants, etc. and work to find reasonable solutions.

Every effort will be made to ensure confidentiality, but the life and health of the mother and child and the spiritual well-being of the parents and the CSU community are the primary concerns. Prayerful consideration will be given as to whether continuation of on-campus residency and/or enrollment as a student at CSU is best for all those involved. If the parents of the child wish to continue educational pursuits at CSU while pregnant, discrimination towards those parents by faculty, staff and/or students is prohibited, and such behavior will be met with disciplinary actions. If a pregnant student feels they are being discriminated against they should report it immediately to the Student Success Center or Dean of Students.

There are accommodations available for pregnant students through the office of disabilities. Please contact Student Success for further information. Please note dependents of resident students are not allowed to live in the residence halls.

QUIET HOURS

Reasonable quiet should be maintained in the residence halls and public lounges. Reasonable quiet means that noise in one's room or area should be maintained at a level which cannot be heard by people in another room or area. Quiet hours are in effect from midnight to 8 a.m.

ROOM DEPOSIT REFUND POLICY

Room deposits are nonrefundable.

WITHDRAWAL FROM CAMPUS HOUSING

If a student moves into campus housing, then chooses to move out prior to drop/add, a prorated daily charge will be assessed.

If a student decides to withdraw from campus housing during the semester, he/she must follow these procedures:

The room must be emptied of all personal belongings prior to checkout. A charge will be assessed for all damage found in the room.

Once all belongings are removed, the student should checkout with his/her Resident Assistant or the Residence Life Office. Upon checkout, the student should return his/her key, FOB (if applicable), and resident student ID.

Any student failing to return a key upon checking out will receive a \$100 fine.

Any student failing to return a fob upon checking out will receive a \$15 fine.

Improper checkout will result in a \$100 fine.

No refund is made if the occupant vacates before the end of the semester. A prorated refund will be made for meals not taken after official withdrawal from the residence hall. The refund will become effective the first Friday after withdrawal.

CHAPEL REQUIREMENTS

All full-time day students (12 credit hours or more) are required to obtain an average of six Chapel credits per semester, for a total of 48 Chapel credits to graduate. This includes students who have recently converted to full-time status after having attended Charleston Southern University as part-time or evening students. Students are only expected to meet the chapel requirements (six credits per semester) for the time they have been full-time day students at Charleston Southern. For example, if a student transfers in as a junior, that student will be required to have 24 Chapel credits to graduate. The system for meeting the Chapel requirement is as follows:

All students should earn an average of six Chapel credits every semester that they are enrolled as a full-time student to be eligible to graduate from Charleston Southern University. Chapel credits are independent of the 125 academic credits needed for graduation. While on campus, all students should always have their Charleston Southern University Student ID cards in their possession. Chapel Credit will be earned through the BucNation application. Be sure to download the BucNation app from the app store. Login to BucNation and open "It's a Buc's Life" guide. Chapel staff will scan your unique QR code when you leave the chapel.

A student may satisfy this requirement by one or a combination of the following options:

Attend regularly scheduled Chapels offered most Wednesdays per semester at 11 a.m. (one unit per program) during the fall and spring semesters.

Please note that any student arriving late to a Chapel program is NOT guaranteed to receive a Chapel credit for that program. Students are expected to arrive on time and be attentive and respectful during all Chapel services.

Satisfactorily complete up to three of the approved academic courses listed below (three units per course). A student may earn three credit hours and get three Chapel credits for each of the three courses selected.

COMPLAINT POLICY

Students who wish to lodge formal complaints regarding institutional policies and practices and other circumstances regarding student life should contact the Dean of Students Office, Student Center, second floor. Formal complaints must be written and must be submitted in the form of a letter or an email. The Dean of Students will determine the appropriate channel for addressing the complaint and forward it on, when necessary, to the relevant department. Formal complaints may be submitted online here: <https://www.charlestonsouthern.edu/life-at-csu/student-resources/#studentcomplaint>

Note that academic complaints should be submitted to the academic department chair or dean if there is not a chair. There are separate policies for resolution of grade appeals and findings of academic dishonesty.

The appropriate department will provide the student with an acknowledgment of receipt of the complaint within 10 business days of the receipt of the complaint. This acknowledgment may take written or verbal form based on the nature of the situation. Within 30 business days after receipt of the complaint, the appropriate department of the university will provide the student and the Dean of Students with the institutional response to the complaint. Records of academic complaints are maintained by the Vice President of Academic Affairs and all other complaints regarding student life are maintained by the Vice President of Student Life (the Dean of Students).

Complaints regarding the institution that cannot be resolved at the institutional level, particularly state related policies and procedures or accrediting concerns, should be filed by the complainants to the S.C. Commission on Higher Education or the appropriate agency.

The university recognizes the sensitive and confidential nature of many student complaints and as a result documentation and correspondence about written student complaints are kept confidential. This information is shared with other departments only on a need-to-know basis. Please note that Title IX complaints are addressed and investigated by the Title IX Coordinator; for information on Title IX complaints, please visit the [Title IX page of the CSU website](#).

This information is shared with other departments only on a need-to-know basis.

STUDENT CODE OF CONDUCT

Charleston Southern University's Guiding Principles describe some of the values and principles which the university seeks for students as outcomes of the CSU experience. The Student Code of Conduct, which appears below, describes the behavior, values and principles CSU expects students to demonstrate as they live together. Living in community brings both privilege and responsibility.

While the university is fully committed to a disciplinary process that is both fair and expeditious, it is recognized that some disciplinary offenses are of such a severe nature that they may threaten the campus community and/or the safety of students, faculty, and staff. This means the finding of the original disciplinary hearing will be imposed immediately without the right to appeal. Examples of this would be bringing a weapon to campus with the intent of inflicting bodily harm to our community, possessing illegal drugs with the intention of distribution, and committing a felony offense.

Every student at Charleston Southern University, by virtue of enrollment, has agreed to abide by and uphold the policies of this institution. The university believes that as adults, students should assume responsibility for their

conduct on and off campus. The administration, faculty, staff, and students are charged with the responsibility of maintaining order on campus.

All students and student representatives are expected to support the Student Handbook, the student code of conduct, mission, vision, and biblical core values of Charleston Southern University. Representatives of the university include, but are not limited to, student government officers and members, campus ambassadors, student life ambassadors, athletes, campus ministry leaders, presidents of clubs and organizations, and participants in Miss CSU, Mr. CSU, and the Homecoming Court.

THE CSU COMMUNITY STANDARDS

The CSU community, comprised of students, faculty, and staff, is bonded together through integrity. Joining the CSU community commits each member to specific behavior.

As a member of the CSU community:

I will respect the CSU Christian environment.

I will respect other people and their property.

I will display responsibility in my actions.

I will practice academic integrity by upholding the CSU Honor Pledge.

I will promote order and safety on campus.

Adherence to these ideals commits each member of the CSU community to behavior that nurtures respect for others and builds integrity in all.

REPORTING

All incident reports initiated by Residence Life will be submitted to the Assistant Dean for Residence Life and all incident reports initiated by Campus Security personnel will be submitted to the Director of Security.

Reports initiated by anyone else should be sent directly to the Dean of Students. Failure to attend a disciplinary hearing will be construed as an admission of guilt, and the student's case will be processed accordingly. All students are guaranteed a fair hearing and the right to appeal. When a CSU student is charged with an off-campus criminal offense (misdemeanor or felony), he or she has the duty to notify the CSU Dean of Students of the charge(s) and circumstances.

DRESS CODE POLICY

All students are expected to always dress neatly and appropriately, including, but not limited to, when using the hallways, stairwells, during Open House hours (when room doors are open), in a class or in the dining hall.

Clothing displaying graphics, descriptions, or logos inconsistent with CSU's Christian mission are not permissible. This includes but is not limited to racist/hateful images or slogans, sexually explicit images, or innuendo, and/or drug and alcohol logos, images, or innuendo. Note: the dress code policy applies to all students, whether residents or commuters.

SOCIAL MEDIA POLICY

Social media provides an international platform for people to connect, communicate, influence, inform, and brand themselves. CSU encourages its students to use social media intentionally for the betterment of everyone.

As a CSU student, you are a representative of the university and are expected to uphold its standards as found in the Student Handbook, Student Code of Conduct, mission, vision, and biblical core values. Students are held personally responsible for any content they post online or on social media platforms.

Some steps you can take to utilize this tool are to follow university policy and understand the policies and terms of use of any social media outlet you use.

Be aware of who you add as a friend to your site. Do not allow someone else to create and manage accounts on your behalf unless you have total access to the logins, passwords, and procedures for those accounts.

Online is forever. Any content you post on social media can be copied, photographed, and forwarded even after you delete it shortly after posting it. Do not let poor judgment now prevent you from success in the future.

Use privacy settings. Understand and use privacy settings on social networking sites. If you do not, your personal information is available to the entire world. Do not provide personal identifying information such as date of birth, phone numbers, home addresses, or class schedules. Be sure to avoid sharing similar information relating to the university, faculty, staff, and other students.

Do not share passwords. Ensure you create strong passwords, which cannot easily be guessed.

Do not infringe on the privacy of your friends, peers, or university faculty or staff. Never post personal information of others that could embarrass them or the university. If posting statements, photos, and/or videos of others, ask permission and only post after receiving written permission, for your protection, from the individual(s). Do not post material that includes someone who may or does not want to be in the photo or video.

CSU monitors online posts to ensure the safety and well-being of the university. Material that violates the Student Code of Conduct and constitutes a disciplinary offense as outlined in the Student Handbook will be dealt with accordingly. Student Code of Conduct violations will lead to disciplinary action being taken through the campus judicial process.

NETIQUETTE POLICY

Charleston Southern University holds its students, faculty, and staff to the highest standards of conduct and expects all to demonstrate courteous behaviors and practices in online communications. CSU's netiquette (Internet etiquette) policy includes guidelines and recommendations for online communications. Being respectful, thoughtful, meaningful, and ethical are fundamental to good netiquette.

CSU's basic netiquette rules are as follows:

Course communications are for internal use only and considered confidential. Do not forward or quote discussion posts, emails, or other course communications to outside parties.

Never share personal login usernames, IDs, or passwords.

Do not type in all capital letters as it can be perceived online as shouting.

Use proper capitalization, grammar, spelling, and punctuation conventions for professional communications.

Avoid texting jargon or abbreviations without explanation.

Incorrect format: CSU is a wonderful university.

Correct format: Charleston Southern University is a wonderful university.

Be mindful of sending emails. Ensure that content is relevant and pay attention to Reply versus Reply All.

BucMail is the only email allowed for course communications. Other platforms (Yahoo, Gmail, etc.) are prohibited.

In video conferencing, mute your microphone when not speaking.

Differing views are natural and welcome on discussion boards. Be respectful in your comments—even if you disagree or dislike someone’s position on a topic.

Respect the time and availability of students, faculty, and staff. Emails should be addressed within 24 hours of receipt. Keep in mind that traditional faculty and staff work hours are 8 a.m.-5 p.m. EST.

Bicycles, Skateboards, Roller Blades, Hover Boards, and Drone Policy

Any student who chooses to operate bicycles, skateboards, hover boards, and/or roller blades does so at his or her own risk.

The use of protective gear such as helmets, knee pads, elbow pads, and wrist guards are highly encouraged to avoid bodily injury.

The use of bicycles, skateboards, hover boards, and/or roller blades is strictly prohibited outside of the Student Center (parking lot entrance), inside all buildings on CSU property, including Littlejohn Parlor, the lobby of the Student Center, lobbies of classroom buildings and the breezeway connecting Russell East and West.

Parking bicycles is limited to bicycle racks located near buildings or inside individual dorm rooms. Bicycles found parked in public access buildings will be removed. It is permissible to park bicycles under the stairs in the Quads. Bicycles parked in such a way that they may endanger pedestrians will be removed.

Operators must yield the right-of-way to pedestrians.

Operation on the roads should be limited to essential travel, such as crossing or short-term travel from one destination to another. Recreational skateboarding, hover boarding, or rollerblading is not permitted on the roads.

Failure to comply with this policy could impede the safety of operators and/or others and therefore result in disciplinary action.

Operation of drones, except by authorized personnel, is prohibited.

- p) Masks or facial coverings of any type that serve as a disguise including full or partial painting of the face are inappropriate on campus, except at CSU sporting events or for health concerns. For security reasons, CSU personnel must be able to identify you. EXCEPTION: Masks may be worn per safety and medical reasons.

Students may also be sanctioned for conduct of such a nature that the student constitutes a hazard to the health, safety, or well-being of members of the university community or which is detrimental to the university's interest whether such conduct occurs on campus, off campus, at university sponsored events, or through online mediums such as social media sites, or mobile apps. CSU students are expected to follow this Code of Conduct both on and off campus and when utilizing social media, mobile apps, and online.

Where university policy does not conflict, the instructor, as a university official, shall determine what constitutes both appropriate behavior and attire in the classroom. Serious or repeated infractions may subject students to proceedings under Disciplinary Offenses in the Student Handbook.

STUDENT CODE OF CONDUCT - DISCIPLINARY PROCEDURES

All persons affiliated with Charleston Southern University should report violations of the Student Code of Conduct to the Director of Campus Security, an Assistant Dean of Student Life, or VP of Student Life.

An investigation which yields sufficient evidence to bring charges against a student will result in notification of the accused.

The student Attorney General or designated alternate may meet privately with the accused student to inform the student of the specific charge, the nature of the evidence, student rights, and the disciplinary hearing procedure; however, the AG or person substituting in this role (a designee by the Dean of Students) may not advise or discuss the case with the accused or attempt to serve in the capacity of an attorney. In many college cases, legal representation is either not permitted during a hearing on campus or an attorney will not be able to ask questions during the university proceeding. CSU's policy is consistently reflective of the first scenario. While there are differences between due process for university hearings and that in conjunction with criminal court proceedings, university findings can be used again during a criminal proceeding.

A student may choose to waive this meeting by signing a statement of waiver, and agreeing with, and taking responsibility for the disciplinary violations.

Students are entitled to a hearing on a disciplinary charge. A student may request to have the case heard before the Committee for Discipline; if the Committee for Discipline is unable to convene, the student will then appear before the Committee for Appeals, with the Dean of Students serving as the chair. If, after the hearing, the student wishes to appeal the decision(s) of the deciding Committee, the student will then appeal before the Committee for Discipline. Note: In unavoidable or emergent situations, either the Dean of Students or the Chair of the Discipline Committee may refer a case to the opposite Committee. If neither of the committees are available to hear the case on short notice, the Dean of Students shall refer the case to a called committee comprised of faculty, staff, and students.

For the purposes of this section, the term university disciplinary officials refer to the individuals before whom the hearing is held. Disciplinary hearings will proceed in the following manner:

Hearings are private. The only persons permitted in the hearing room are university disciplinary officials, the accused student, the student Attorney General or designated alternate as appointed by the Dean of Students, witnesses, and any other person(s) deemed by the university disciplinary official to have information relevant to the

case. University disciplinary hearings are not criminal proceedings and are not subject to the rules or procedures of the American legal system. Accordingly, students are not permitted to bring legal counsel to a hearing.

At the commencement of the hearing, the student will be informed once again of the charge against him/her.

The witnesses, if any, may be called into the hearing and may be questioned by university disciplinary officials and by the student.

The student is permitted to present the testimony of witnesses and other evidence in his or her defense. Defense witnesses are subject to questioning by the university disciplinary officials. At the conclusion of the presentation of testimony and other evidence, all persons except university disciplinary officials will be excused from the hearing room. The university disciplinary officials will then deliberate and render a decision.

The university disciplinary officials will first determine whether, considering the evidence presented, the student is guilty of a violation of the Student Code of Conduct. If so, the university disciplinary officials will impose reasonable sanctions. University disciplinary officials will consider all relevant factors, including, but not limited to, the nature and severity of the misconduct and the prior disciplinary history of the student, when determining appropriate sanctions.

The decision of the university disciplinary officials shall, when possible, be rendered within 48 hours after the commencement of deliberations. If the disciplinary hearing is conducted by the Committee for Discipline, the Chair will promptly, in writing, notify the Dean of Students of the decision.

The Dean of Students or his appointee will send or deliver a letter to the student informing him or her of the decision and, if applicable, the punishment that was imposed.

On the other hand, if the Appeals Committee hears the case, the resulting sanctions are imparted to the Committee for Discipline, after which the Chair will construct the disciplinary letter and forward it to the Dean of Students for distribution.

STUDENT CODE OF CONDUCT - DISCIPLINARY APPEALS

A student found guilty of a violation of the Student Code of Conduct is entitled to a single appeal before either the Committee for Discipline or before the Dean of Students or his designee.

The purpose of an appeal is to ensure that proper disciplinary procedures were followed in conducting disciplinary hearings and/or that any punishment imposed is not too severe. An appeal is not for the purpose of re-hearing the disciplinary hearing or second-guessing the determination of guilt made by the official(s) who conducted the original disciplinary hearing.

A student may file an appeal in the office of the Dean of Students on a form supplied by that office within 48 hours after:

He or she is notified of the punishment imposed because of the disciplinary hearing, or

A letter is mailed or delivered to the student advising him/her of the punishment imposed because of the disciplinary hearing, whichever occurs first.

The student shall specify on the appeal form either:

The specific disciplinary procedures not adhered to in the case and the precise nature of the harm that this caused the student in defense of the case.

The specific reasons why, in this case, the punishment imposed was too severe.

Sanctions imposed in the original hearing will be enforced until the appeal is heard, unless specifically delayed by the official(s) conducting the original hearing.

A hearing on the appeal shall be held as soon as is possible; those in attendance will include:

The Appeals Committee, with the Dean of Students (or his designee) serving as Chair and a quorum of the Committee for Discipline, if the underlying disciplinary hearing was conducted by the Discipline Committee; or

The Committee for Discipline if the underlying disciplinary hearing was conducted by the Appeals Committee.

The student Attorney General (if requested) or designated alternate.

The student.

Such other people whose presence is deemed necessary or appropriate by the officials conducting the appeal hearing. A student who fails to appear at his or her appeal hearing shall be deemed to have waived his or her right to appeal.

At the appeal hearing, the officials conducting the hearing shall consider all matters that they deem to be relevant either to the procedures employed in connection with the underlying disciplinary hearing or to the severity of the punishment and shall hear the argument presented by the student. The officials conducting the appeal shall not hear evidence relating to the guilt or alleged innocence of the student unless such evidence is otherwise relevant to the legitimate purposes of the appeal.

Within 48 hours after the conclusion of the appeal hearing, the officials conducting the appeal shall render a decision, which may:

Uphold the underlying decision in its entirety.

Reverse the underlying decision and send the case back to the officials who conducted the underlying disciplinary hearing for a new disciplinary hearing or reconsideration and re-imposition of punishment.

Increase or lessen the punishment.

STUDENT RIGHTS

Student rights are described as follows and may be viewed in the CSU Student Government Constitution:

The student will be afforded a fair hearing and the right to appeal

A student is presumed innocent until found guilty.

A student has the right to obtain student counsel (Attorney General or designated alternate).

A student may present witnesses and evidence on their behalf.

The student has the right to cross-examine.

The student has the right to face the accuser.

SANCTIONS

A student's disciplinary status is not public information. However, the disciplinary status will be provided to respective coaches, professors, and CSU personnel. Disciplinary records may be released to other organizations outside of the university with the student's permission or per legal subpoena.

Sanctions for violations of any of the foregoing rules will be imposed by university disciplinary officials and may include but are not limited to one or any combination of the following:

Alcohol/Substance Assessment

Loss of Privileges/Suspension from campus activities; Ineligibility to represent the university (including, but not limited to athletic events, musical and dramatic performances, scholastic competitions, fund raising events, and similar university sponsored events)

Behavioral Agreement	Community Service	Disciplinary probation	Educational Assignments
Expulsion	Fines	No Contact Agreement	Notification of law enforcement
Parent/Guardian Notification	Participation in counseling	Residence Hall Suspension	Residence Hall Expulsion
Restitution	Suspension	Suspension from residence halls and/or dining hall (without refund)	Written Warning

DISCIPLINARY PROBATION

Imposed for a specified period or an indefinite period, to remain in effect until such a time as the official in charge will determine that the probationary status should be lifted. While on disciplinary probation, a student may be removed from a campus office, honor or distinction and is subject to more severe sanctions if subsequent violations occur during the probationary period. The official placing the student on probation will define the limitations, if any, and the conditions applying during the probationary period. Limitations may be, among other things, in the form of denial to represent the university in any capacity or in limited capacities while on probationary status. Students on disciplinary probation risk suspension from Charleston Southern University if found guilty of additional violations of the Student Code of Conduct.

IMMEDIATE INTERIM SUSPENSION

The Dean of Students may place a student on Immediate Interim Suspension without the benefit of a disciplinary hearing under the following circumstances:

If a student's actions on or off campus are of such a nature that the student constitutes a danger to property or to others on campus, the student may be suspended immediately on an interim basis. Such a student may be suspended from the campus and all related activities until such a time as a disciplinary hearing may be held and concluded.

In the event a student is charged with a serious crime by civil authorities, the Dean of Students may place the student on immediate interim suspension until such time as the case is fully adjudicated by the courts. A decision regarding the student's ability to return to the university will be made once court documents detailing the outcome of the case are provided to the Dean of Students for review.

INVOLUNTARY ADMINISTRATIVE WITHDRAWAL (NONJUDICIAL)

Involuntary Withdrawal applies to cases in which there is a concern about the safety of others and/or when a student's behavior results in, or creates a risk of, a disruption to the learning environment. Thus, the Dean of Students or his or her designee may require a student who has been involuntarily withdrawn to be reevaluated before he or she is readmitted to assure that he or she presents no direct threat to others and/or does not exhibit current behavior which would be disruptive to the learning environment.

A student may be withdrawn from the university or from university housing if it is determined by reasonable evidence that the mental state of the student may lead to (a) behavior which poses an imminent danger to others; (b) behavior which would cause significant property damage or directly impede the normal activities of others; or (c) behavior which disrupts or creates a risk of disrupting the university's learning environment.

The determination will include an assessment of whether any reasonable modification of the university's policies, practices, or procedures will significantly mitigate the risk posed by the mental state of the student.

PROCEDURE FOR READMISSION TO THE UNIVERSITY FOLLOWING SUSPENSION OR INVOLUNTARY WITHDRAWAL

Students seeking readmission to the university after suspension or involuntary withdrawal must receive authorization to return to the university and/or university housing from the Dean of Students in consultation with members of the Behavioral Intervention Team. The Dean of Students may also consult any other person he/she deems appropriate in making the readmission decision.

DRUG AND ALCOHOL POLICY

God created man in His own image, in the image of God He created him; male and female He created them,” (Gen. 1:27) therefore Charleston Southern University students are prohibited from the unlawful behavior as it relates to the possession, distribution, manufacture, and all illegal use of drugs and alcohol on and off Charleston Southern University property.

The spiritual, emotional, intellectual, social, and physical growth of our community and its members is at its greatest potential when there is the absence of drugs and alcohol. Your body is a temple, and your life has influence (1 Cor 6:19). The above are disciplinary violations that will lead to sanctions and suspension or expulsion from the university. Depending upon the circumstances, law enforcement may be notified.

As we work together to cultivate an alcohol and drug-free community, please remember the following:

We want your life to reflect Christ. Your life has influence.

We are a dry campus.

Consuming or possessing alcohol under the age of 21 years is illegal.

Purchasing or distributing alcohol to those under the age of 21 is illegal.

The possession, sale, manufacture, or distribution of any controlled substance is illegal under both state and federal laws [Code of Laws - Title 44 - Chapter 53 - Poisons, Drugs, And Other Controlled Substances \(scstatehouse.gov\)](#); [Drug Policy \(dea.gov\)](#)

Use of prescription drugs without a prescription is prohibited.

We prohibit the use of illegal drugs and/or controlled substances on or off campus.

Hosting an event on- or off-campus, where alcohol and/or illegal drugs are present, or permitting such an event at their residence, (including underage drinking) shall be subject to discipline.

TOBACCO-FREE POLICY

CSU is a South Carolina DHEC Model Smoke-free Campus. According to the U.S. Surgeon General's Report of 2006, the Environmental Protection Agency Report of 1992, the South Carolina Clean Indoor Act of 1990 and the Federal Pro-Children Act of 1994, tobacco use and exposure to secondhand smoke are hazardous to one's health. The EPA reports that secondhand smoke is responsible for an estimated 53,000 deaths per year for nonsmokers. Considering these findings, and in keeping with the university's mission and vision, Charleston Southern University became a tobacco-free campus in August 2009. Tobacco use is prohibited on all university grounds, both outdoors and indoors and within university vehicles. This includes all offices, hallways, and waiting rooms, restrooms, meeting rooms, and all other grounds and properties of CSU. This policy is in effect 24 hours a day, seven days a week. CSU prohibits the use of all tobacco products or paraphernalia, including but not limited to, cigarettes, cigars, pipes, electronic cigarettes (e-cigarettes) or other recreational vaporizers, bidis, kreteks, smokeless tobacco and snuff by all students, faculty, staff, and visitors. The sale of tobacco products is prohibited on the CSU campus, as is the delivery of any tobacco product by any means.

DRUG TESTING

A student suspected of illegal drug use may be requested to submit to a drug test. Samples collected for testing may include urine, hair, blood, saliva, fingernails, toenails, or any other acceptable means of testing for drugs. Failure to provide the requested sample will be treated as a positive result, and the individual may be immediately suspended. Refusal to supply a urine and/or hair sample will be considered a positive result for drugs. If a student attempts to adulterate, substitute, or manipulate his or her specimen during the collection process, it will be treated in the same fashion as a positive drug test.

Students who have been charged with a drug offense under the Student Code of Conduct may be requested to submit to a drug test at any point in the disciplinary process. This includes the investigative process and the actual hearing. Samples collected for testing may include urine, hair, blood, saliva, fingernails, toenails, or any other acceptable means of testing for drugs. Failure to provide the requested sample will be treated as a positive result, and the individual will be immediately suspended.

SEEKING HELP FOR DRUG AND ALCOHOL ABUSE

Safe Harbor

Safe Harbor is a program that permits students to refer themselves for help and treatment for the use of alcohol, illegal drugs, or legal drugs being abused or used illegally. If the student comes forward of his or her own free will,

help is available, and the student will not be subject to disciplinary sanctions provided ALL provisions of the Safe Harbor Program are strictly adhered to.

To enter Safe Harbor, students should contact the Dean of Students. At that point, the student will enter into an agreement and sign a consent form outlining the guidelines and provisions of the Safe Harbor Program. The student is in Safe Harbor at that point and all provisions of the program are applicable from that point on. A drug screening will be scheduled and administered through the Dean of Students Office as soon as possible to establish a baseline for future drug testing.

Entry into the Safe Harbor Program affords students the opportunity to receive professional counseling, educational programming, and provides accountability. An individual treatment plan will be developed between the student and CSU Counseling Services. The duration of the program will be determined by CSU Counseling Services.

Students are advised that they will be subject to random drug testing while in the Safe Harbor Program. A positive drug test during Safe Harbor will result in applicable disciplinary sanctions being imposed. Students may NOT enter the Safe Harbor Program after being notified of his or her participation in an impending drug test or after being charged with a drug or alcohol-related disciplinary offense. Any NCAA drug testing that is done after the student enters Safe Harbor does not invalidate this agreement. Students are still encouraged to seek free and confidential treatment and/or referrals from the Office of Counseling Services at any time.

(Note: Students are required to pay for drug testing and outside referrals while participating in the Safe Harbor Program.)

Seeking Help and Behavioral Accountability

Each student should be aware of his or her own behavior and the positive or negative effects that it can have on the community. If a student knows their behavior is outside the limits established by the university and sincerely wishes to get assistance and accountability prior to the university discovering the inappropriate behavior, the student may take the initiative to discuss their situation with the Director of Counseling Services, the Assistant Dean for Residence Life, the Associate Dean of Students, or the Dean of Students without the threat of disciplinary action. This kind of problem is defined as a personal problem, and the staff member will seek to work with the student toward the goal of Christ-like living. Exceptions to this approach may be where behavior is repetitive, self-destructive, hazardous to others or self, or involves a significant legal issue.

Substance Abuse Counseling

Persons wishing to seek voluntary, confidential counseling and referral regarding substance abuse problems should contact the university's counseling service at 843-863-8010.

The Family Educational Rights and Privacy Act (FERPA) affords students certain rights with respect to their educational records. They are:

The right to inspect and review his or her education records within 45 days of the day the university receives a request for access. Students should submit to the registrar, dean, head of the academic department, or other appropriate official written requests that identify the record(s) they wish to inspect. The appropriate university official will plan for access and notify the student of the time and place where the records may be inspected. If the records are not maintained by the university official to whom the request was submitted, that official shall advise the student of the correct official to whom the request should be addressed.

The right to request the amendment of the student's education records that the student believes are inaccurate or misleading. Students may ask the university to amend a record that they believe is inaccurate or misleading. They should write the university official responsible for the record, clearly identify the part of the record they want changed and specify why it is inaccurate or misleading. If the university decides not to amend a record as requested by the student, the university will notify the student of the decision and advise the student of his or her right to a hearing regarding the request for amendment. Additional information regarding the hearing procedures will be provided to the student when notified of the right to a hearing.

The right to consent to disclosure of personally identifiable information contained in the student's educational records, except to the extent that FERPA authorizes disclosure without consent. One exception which permits disclosure without consent is disclosure to school officials with legitimate educational interests. A school official is a person employed by the university in an administrative, supervisory, academic or research or support staff position (including law enforcement unit personnel and health staff); a person or company with whom the university has contracted (such as an attorney, auditor, or collection agent); a person serving on the Board of Trustees; or a student serving on an official committee, such as a disciplinary or grievance committee, or assisting school officials in performing legitimate tasks including assignments while working under a Federal Work-Study program agreement. A school official has a legitimate interest if the official needs to review an educational record to fulfill his or her professional responsibility. Upon request, the university may disclose records without consent to officials of another school in which a student seeks or intends to enroll. Information may be disclosed to parents of dependent children enrolled at CSU if the student is under 23 years of age and is listed as a dependent on the parent's federal tax returns. Our procedure is to verify the student's dependent status through our financial aid office by requiring documentation before information is released.

The right to file a complaint with the U.S. Department of Education concerning alleged failures by Charleston Southern University to comply with the requirements of FERPA.

The name and address of the Office that administers FERPA is Family Policy Compliance, Office Department of Education, 400 Maryland Avenue, SW Washington, DC 20202-5920

Students refusing to have any or all the designated directory information disclosed without consent must submit written notification to the office of the registrar. To enforce a refusal request, written notification should be filed no later than one week from the beginning of a term in which a student has enrolled. However, refusal notifications will be accepted, processed, and enforced as soon as possible anytime they are received. Careful consideration should be given before any disclosure refusal is submitted. The university's enforcement of a refusal notification may have unexpected or undesirable ramifications.

Health and Safety Exception – An educational agency or institution may disclose personally identifiable information from an education record to appropriate parties in connection with an emergency if knowledge of the information is necessary to protect the health or safety of the student or other individuals.

FIREARMS AND EXPLOSIVES

Students shall not possess any type of firearm, flammable liquid, or explosive on campus anywhere, anytime. This includes hunting rifles, target weapons, handguns, BB guns, airsoft guns, hunting knives, bottle rockets, roman candles, etc. Possession or use of firearms and explosives, including fireworks and bottle bombs, will result in disciplinary action and may include expulsion from the university.

Exceptions: The above restrictions do not apply to Sworn Police Officers and to persons authorized to carry concealed weapons pursuant to Section 16-23-430, Article 4, Chapter 31, Title 23, Code of Laws of South Carolina, 1976, when the weapon remains inside an attended or locked motor vehicle and is secured in a closed glove compartment, closed console, closed trunk or in a closed container secured by an integral fastener and transported in the luggage compartment of the vehicle. Anyone bringing weapons to campus may be asked to produce their legally issued Concealed Weapons Permit. Removal of the weapon from the security of the vehicle while on campus regardless of the reason is a felony violation of the law and a violation of Charleston Southern University's Student Code of Conduct.

SEXUAL HARASSMENT

Charleston Southern University is committed to providing its students with an environment free from implicit and explicit coercive sexual behavior used to control, influence, or affect the well-being of any member of the university community. Sexual harassment can include physical conduct or verbal innuendo of a sexual nature, which has the purpose or effect of creating a hostile or offensive environment. Such harassment is contrary to the Christian standards of conduct expected of all members of the university community and is grounds for disciplinary action.

To that end, and in accordance with federal and state law, the university prohibits any member of the faculty, staff, administration, student body, or visitors to campus, whether they be guests, patrons, independent contractors, or clients, regardless of the sex of the other party, from sexually harassing any other member of the university community.

Reports of sexual harassment will be met with appropriate disciplinary action, up to and including dismissal from the university.

Any student who is a victim of sexual harassment can request assistance from the Title IX Coordinator or the Dean of Students. Confidential individual sessions with a licensed counselor can be scheduled as well as referrals to professional counselors in the community. The university has designated the following individuals as Reporting Officials who have the responsibility to receive complaints, initiate an investigation relating sexual harassment, and move it into the appropriate process by which resolution of the complaint will occur:

Title IX, Campus save Act and VAWA

Charleston Southern University is committed to providing an environment that is free of sexual harassment and sexual violence. All students are encouraged to read more about [Title IX, the Campus Save Act and VAWA](#).

If you observe any sexual activity involving a minor on campus, you are instructed to contact law enforcement immediately (North Charleston Police Department – 843-740-2800 or 843-554-5700).

SEXUAL ASSAULT

Charleston Southern University desires to maintain a safe environment in which all members of its university community (students, faculty, staff) can learn and work free from fear of sexual assault and other forms of violence. On June 20, 2014, the Department of Education, in support of the same quest for all American institutions of higher learning, developed recommendations to implement changes made by the Violence Against Women Act to the Clery campus safety provisions of the Higher Education Act by issuing proposed regulatory action dealing with campus sexual assault. These regulations included new requirements relative to (1) reporting instances of sexual violence (2) sexual assault primary prevention and awareness programs and campaigns, (3) the range of protective measures offered victims following an allegation of violence and (4) campus disciplinary procedures.

The new changes were reflected in all of CSU's institutional policies and procedural reference materials where applicable, focusing on:

Broadening the definition of rape to reflect the new standard (2) providing a training strategy and describing primary prevention and awareness programs to incoming students and new employees as well as ongoing prevention and awareness campaigns for returning students and current employees; (3) describing each type of disciplinary proceeding used by the institution such as the steps, anticipated timelines and decision-making process for each type of disciplinary proceeding and, additionally, how the university determines which type of proceeding to use, based on the circumstances of an allegation associated with crimes of dating violence, domestic violence, sexual assault, and stalking.

To eliminate the above-described forms of perpetrating violence on or off the university's campus, thus contributing to a safe university community, CSU will abide by the regulatory changes, provide an appropriate prevention education program, and have trained professionals ready to provide vital support services if needed.

Rape

Rape is a general term used to describe any sexual act against your will or without your consent. About half of all rapes and sexual assaults are committed by someone known to the victim. Many of these are termed date rapes (when a woman is coerced into unwanted sexual activity by her date). Just as in the case of preventing or stopping rape by a stranger, common sense and assertiveness are important. Rape is rape; and whether or not you know the rapist does not make it any less a rape. If someone you know makes unwanted advances, do not be afraid to resist strongly. If you say NO, do whatever is necessary to get the point across. If you are going on a blind date, or with someone you met casually, you might ask yourself a few questions such as: Do I know anything about this person? Where are we going? Do I have enough money to get back home and/or to campus by myself? Will other people be around? Does anyone else know where I am going? A little advance thought may prevent you from finding yourself in a vulnerable situation later.

If you are raped or sexually assaulted while a student at CSU, you should seek medical attention immediately (even if there are no injuries). If the incident occurred on campus, call Campus Security at 2020 on a campus landline or 843-553-5896. If the incident occurred off campus, call 911 or the Tri-County S.P.E.A.K.S. Hotline at 843-745-0144. CSU strongly suggests rape victims to visit the Medical University of South Carolina (MUSC) immediately after the rape occurred to undergo a Sexual Assault Forensic Exam (SAFE), also known as a rape kit. The Medical University of South Carolina is the only hospital in the region that administers the Sexual Assault Forensic Exam or rape kit. Though victims should go as soon as possible after the rape, they technically have 120 hours after the incident to receive an exam. Victims should go to the Emergency Room, tell the front desk that they have been sexually assaulted, then they will receive an exam. MUSC is located at 171 Ashley Avenue, Charleston, SC 29425.

You can seek support anytime following the incident (or incidents) from the following campus resources:

Counseling Center, Student Center, first floor 843-863-8010

Campus Security, Quad 3 843-863-2020 or 843-553-5896

Dean of Students, Student Center 843-863-8008

A trusted friend, faculty, or staff member

Mediation will never be used to resolve sexual assault complaints.

HEALTH INSURANCE PORTABILITY AND ACCOUNTABILITY ACT (HIPPA)

On April 14, 2003, the HIPPA final regulations went into effect, and Charleston Southern University developed an internal process for complying with the security of Protected Health Information for all students. A student's health information will be kept confidential and only divulged in the event he or she becomes ill or injured or a threat to himself or others. To obtain these forms, contact the Residence Life Office. Students are not required to complete the form; but if they do not, the university is only permitted by law to seek medical assistance in the event of an emergency. If you have any questions concerning this, contact Payroll at 843-863-8070 or via email whousand@csuniv.edu.

PROTOCOL FOR ADDRESSING THREAT OF HARM TO SELF

The university reserves the right to require a student who presents a threat to himself/herself, but not to others, to undergo an assessment from a mental health provider who may disclose to the university the outcome of the assessment. Counseling Services may conduct a triage assessment with such an individual. Pending the outcome of this assessment, an area Mobile Crisis unit may be called upon to conduct further assessment and the person may need to be hospitalized. Such a decision may be made by Counseling Services staff and/or Mobile Crisis professionals. Hospitalization may be voluntary, or involuntary in some cases.

When an individual is hospitalized for this reason, the Dean of Students' Office and other pertinent staff will be notified. Examples of pertinent staff include but are not limited to Campus Security and the Assistant Dean for Residence Life. In general, the Dean of Students will indicate to the student's professors that he/she has been hospitalized. The Dean of Students or other pertinent staff will generally protect confidentiality by not revealing to professors why a student has been hospitalized, but in some cases, there may be a need to inform professors of the reason for hospitalization.

In general, a student who has been hospitalized due to a threat of harm to self does not need to present any documentation from the hospital regarding his or her release to return to the university and resume attending classes or residing in the residence halls.

STUDENT RIGHT-TO-KNOW AND CAMPUS SECURITY ACT

In compliance with its duties under federal law, Charleston Southern University makes an annual disclosure of campus crime statistics and graduation rates to all students and applicants for enrollment. A copy of the annual campus crime statistics may be obtained from the Campus Security Office, The Office of Institutional Research or [online](#).

STUDENT ADA/SECTION 504 GRIEVANCE PROCEDURE

ADA Policy

Charleston Southern University, in compliance with state and federal laws and regulations, including the Americans with Disabilities Act of 1990 (ADA; as amended 2008) and Section 504 of the Rehabilitation Act of 1973 (Section 504), does not discriminate based on disability in administration of its education-related programs and activities, and has an institutional commitment to provide equal educational opportunities for disabled students who are otherwise qualified.

Students who believe they have been subjected to discrimination based on disability or have been denied access to services or accommodations required by law, have the right to use this grievance procedure.

Applicability

The grievance procedure set forth below is applicable to undergraduate and graduate students at the university. In general, it is designed to address disputes concerning the following:

Disagreements regarding a requested service, accommodation, or modification of a university practice or requirement.

Inaccessibility of a program or activity.

Harassment or discrimination based on disability.

Violation of privacy in the context of disability.

The university's Involuntary Administrative Withdrawal (Nonjudicial) policy.

As a general proposition, this grievance procedure supplants the current Disciplinary Appeals Procedure with respect to disability-related grievances. Questions of applicability will be decided by the Director of Disability Services.

Compliance Officers

Charleston Southern University's Compliance Officers are responsible for administering this grievance procedure as well as ensuring compliance with applicable laws. The Director of Disability Services is the designated ADA/Section 504 Compliance Officer. That office is in the Student Success Center, First Floor, Student Center.

Additional Compliance Officers may be designated from time to time by the President from those faculty and staff members knowledgeable concerning disability issues and the legal mandates of state and federal disability statutes.

Informal Resolution

Prior to initiating the formal complaint procedure set forth below, the student should, in general, first discuss the matter orally or in writing with the individual(s) most directly responsible. If no resolution results, or if direct contact is inappropriate under the circumstances, the student should then consult with the Compliance Officer who will attempt to facilitate a resolution. (The information resolution process may involve consultation with the Dean of Students and/or Associate Dean of Students).

If the Compliance Officer is not successful in quickly achieving a satisfactory resolution (that is, generally within seven calendar days), the Compliance Officer will inform the student of his or her efforts and the student's right to file a formal complaint.

Formal Complaint

If the procedure set forth above for informal resolution does not yield a successful resolution, then the student may file a complaint in the following manner:

When to File Complaint: Complaints must be filed as soon as possible, but in no event later than 10 days after the end of the quarter in which the concern arose.

What to File: A complaint must be in writing and include the following:

- The grievant's name, address, email address, and phone number
- A full description of the problem
- A description of what efforts have been made to resolve the issue informally
- A statement of the remedy requested.

Where to File Complaint: The complaint is to be filed by delivery to the Compliance Officer at the Dean of Students' Office.

Notice of Receipt: Upon receipt of the complaint, the Compliance Officer reviews the complaint for timeliness and appropriateness of this grievance procedure and provides the grievant with written notice acknowledging its receipt.

Investigation: The Compliance Officer or his or her designee (hereafter collectively referred to as the Grievance Officer) will promptly initiate an investigation. In undertaking the investigation, the Grievance Officer may interview, consult with and/ or request a written response to the issues raised in the grievance from any individual the Grievance Officer believes to have relevant information, including faculty, staff, and students.

Representation: The grievant and the party against whom the grievance is directed each have the right to have a representative. The party shall indicate whether he or she is to be assisted by a representative and, if so, the name of that representative. For purposes of this procedure, an attorney is not an appropriate representative and will not be allowed to participate on behalf of a grievant.

Findings and Notification: Upon completion of the investigation, the Grievance Officer will prepare and transmit to the student, and to the party against whom the grievance is directed, a final report containing a summary of the investigation, written findings, and a proposed disposition. This transmission will be expected within 45 calendar days of the filing of the formal complaint. The deadline may be extended by the Compliance Officer for good cause including for reasons related to breaks in the academic calendar. The final report may also be provided, where appropriate, to any university officer whose authority will be needed to carry out the proposed disposition or to determine whether any personnel action is appropriate.

Final Disposition: The disposition proposed by the Grievance Officer will be put into effect promptly. The grievant or any party against whom the grievance or the proposed disposition is directed may appeal. The appeal to the VP for Student Life/Dean of Students (as set forth below) will not suspend the implementation of the disposition proposed by the Grievance Officer, except in those circumstances where the VP for Student Life/Dean of Students decides that good cause exists making the suspension of implementation appropriate.

Urgent Matters

Whenever the application of any of the time deadlines or procedures set forth in this grievance procedure creates a problem due to the nature of the complaint, the urgency of the matter, or the proximity of the upcoming event, the Compliance Officer will, at the request of the grievant, determine whether an appropriate expedited procedure can be fashioned.

Remedies

Possible remedies under this grievance procedure include corrective steps, actions to reverse the effects of discrimination or to end harassment, and measures to provide a reasonable accommodation or proper ongoing treatment. As stated above, a copy of the Grievance Officer's report may, where appropriate, be sent to university officer(s) to determine whether any personnel action should be pursued.

Appeal

Within 10 calendar days of the issuance of the final report, the grievant or the party against whom the grievance is directed may appeal to the VP for Student Life/Dean of Students at the Grievance Officer's determination.

An appeal is taken by filing a written request for review with the Compliance Officer at the Dean of Students Office. The written request for review must specify the substantive and/or procedural basis for the appeal and must be made on grounds other than general dissatisfaction with the proposed disposition. Furthermore, the appeal must be directed only to issues raised in the formal complaint was filed or to procedural errors in the conduct of the grievance procedure itself, and not to new issues.

The Compliance Officer will forward the appeal to the VP for Student Life/Dean of Students and provide copies to the other party or parties. If the grievance involves a decision that is being challenged, the review by the VP for Student Life/Dean of Students or his or her designee usually will be limited to the following considerations:

Were the proper facts and criteria brought to bear on the decision? Were improper or extraneous facts or criteria brought to bear that substantially affected the decision to the detriment of the grievant?

Were there any procedural irregularities that substantially affected the outcome of the matter to the detriment of the grievant?

Given the proper facts, criteria, and procedures, was the decision a reasonable one?

A copy of the VP for Student Life/Dean of Students' written decision will be expected within 30 calendar days of the filing of the appeal and will be sent to the parties, the Compliance Officer and, if appropriate, to the university officer whose authority will be needed to carry out the disposition. The deadline may be extended by the VP for Student Life/Dean of Students for good cause including for reasons related to breaks in the academic calendar. The decision of the VP for Student Life/Dean of Students on the appeal is final. Additional Resources:

STUDENT ORGANIZATION POLICIES

These policies are prepared to serve as a guide for all approved student organizations at Charleston Southern University concerning their responsibilities and as a help in planning, scheduling, and conducting fellowship functions:

All functions held by student organizations must be approved through an event request form available online.

Student organizations conducting organizational functions off campus must abide by all regulations governing behavior on campus. Student organizations are expected to uphold the same standards of Christian behavior off the CSU campus as are required on campus.

Only approved student organizations may hold functions on campus. All approved student activities and social events must be scheduled and registered in advance through the Associate Dean for Student Engagement. All fundraising projects and service projects must be recorded on the proper form and turned in to the Associate Dean for Student Engagement. Activities must be approved before plans are made for food, location, etc. A fundraising or service project may not begin until approved by the Associate Dean for Student Engagement.

Any changes must be reported immediately to the Associate Dean for Student Engagement.

In order to provide appropriate security measures for the safety and well-being of the campus community, and to ensure that the educational and business functions of the university will not be disrupted, any person or organization wishing to plan or implement a rally, forum, assembly, demonstration, protest, or similar gathering on or about the CSU campus must provide prior written notification of the gathering to the Dean of Students and receive from that office written authorization to proceed, at least two business days in advance of the gathering.

An organization may not plan functions for the same time as a university sponsored or student activities sponsored event. It is the student organization's responsibility to check the student activities calendar.

All student organizations under the administration of the Board of Student Organizations are required to complete at least two on campus service projects and two community service projects per semester. Failure to do this may result in suspension of Board of Student Organizations benefits and use of CSU facilities.

All persons invited to speak on campus must be cleared by the Associate Dean for Student Engagement.

Infractions of the student activities policies will be referred to the Associate Dean for Student Engagement.

Contracts

Any contract for bands, performers or speakers secured by an organization must be co-signed by the Associate Dean for Student Engagement. This is for the student organization's protection as well as for the protection of the individual signing for the student organization. No student may enter a contract on behalf of the university. Any violations will result in immediate disciplinary action.

During the spring semester, all pledging activities must occur within the first 12 weeks of the semester (including breaks). No pledge activities will occur after midnight. Pledge activities will not include anything that would lead to the embarrassment of the student or the university.

Hazing

Initiations or other activities may not involve hazing, which is defined by state law as "intentionally or recklessly engaging in acts which have foreseeable potential for causing physical harm to any person for the purpose of initiation or admission into or affiliation with any chartered student, fraternal or sorority-chartered organization." The criminal sanctions for hazing, assisting in hazing, or failing to report hazing include a fine of up to \$500 and/or imprisonment for up to 12 months where consent is not a defense (Cumulative Supplement, Code of Laws of SC 1976 - Article 6; 16-3-540). Hazing is not limited to, but may include the following:

Forced or required actions that are inhumane to animals or others

Any infraction of these rules may lead to immediate SGA Senate action of varying lengths of probation or loss of charter and use of CSU facilities.

Penalties

An official warning may be issued from the Associate Dean for Student Engagement to cover a certain period during which all activities of the organization will be closely observed. If there are any infractions of university regulations during this time, the case will immediately be turned over to the SGA Senate.

Probation is a penalty given to any student organization that does not adhere to stated university policies. The procedure for probation or removal of charter shall be as follows:

Recommendation for action by the Associate Dean for Student Engagement or the Dean of Students.

Investigation and recommendation by the SGA Senate.

Any changes in the listing should be reported immediately to the office of Associate Dean for Student Engagement.

These reports must be turned into the office of Associate Dean for Student Engagement by the second to last scheduled Board of Student Organizations assembly each academic year. Failure to submit this report will make the organization ineligible for an organization award and may result in a withdrawal of the organization's charter.

Each student organization under the administration of the Board of Student Organizations is required to track campus service projects and community service projects through a process as determined by the Board of Student Organizations.

Chartering Procedure

Any group wishing to organize on the Charleston Southern University campus must request and receive permission from the Associate Dean for Student Engagement. The following information must be received by the Associate Dean for Student Engagement before permission is granted.

List of at least 15 interested students. This number may be altered at the discretion of the Associate Dean for Student Engagement.

Advisor confirmation Form.

The proposed constitution.

If the organization is an academic student organization, graduate student organization, or honor society, a letter of recommendation is required from the department head in which department the organization will be located.

If the organization is a student ministry; a letter of recommendation is required from the campus pastor and/or assistant campus pastor.

Any organization whose membership is composed primarily or entirely of CSU students must seek official university recognition through procedures established for that purpose by the university. Students who join or participate in the activities of an organization and students who enlist, invite, or encourage other students to join or participate in the activities of an organization which has not been officially recognized by the university may face disciplinary action including dismissal from the university.

After permission has been granted, in compliance with the above section, the Associate Dean for Student Engagement will submit the information to the SGA Senate. The president of the organization may be called to appear before the SGA Senate. The Senate will then review the material for approval.

The SGA Senate will act on the petition after reviewing the material. A vote of 2/3 of the members voting will be necessary for approval. After Senate approval, there shall be a probationary period of at least one year before the organization shall demonstrate its value by worthwhile group enterprise. The probationary period of any organization shall begin on the date of the Senate approval. The probationary period may be waived or shortened with the consent of the president of the SGA, the Associate Dean for Student Engagement, and the Dean of Students, upon recommendation from the senate.

Social fraternities and sororities will not be allowed as student organizations on the CSU campus unless specifically permitted by the Associate Dean for Student Engagement. Organizations which are affiliated with national, regional, or statewide organizations will, for the purpose of these policies, be considered as social or other than social in nature according to their parent organization's listing in the latest edition of the Encyclopedia of Associations. Any organization which is affiliated with a national, regional, or statewide organization will be required to state clearly in their campus constitution that their main mission is service, honorary, religious, or academic in nature. All service fraternities and sororities will be required to comply with all requirements and criteria for CSU Greek student organizations.

Advisors

Advisors for student organizations have the same liability protections as when performing other official duties for the university.

The duties of an advisor for a student organization are as follows:

Become familiar with and understand relevant university policies and procedures.

Act within the scope of their authority.

Act in an advisory capacity, as opposed to a directive relationship, for the organization. The following functions are cited examples:

Providing the officers with elements of good organizational practice.

Teaching development of procedures and plans for action.

Keeping the organization focused upon goals.

Stimulating and initiating activity within the organization.

Be available to the officers and members to share ideas about the affairs of the organization.

Attending all events of the student organization excluding regular group meetings to ensure student safety, avoid property damage, and assure appropriate conduct.

Advisors are held responsible for all activities held by the student organization. An event is prohibited from being held if the advisor is unable to attend.

Advisors are permitted to have another university employee act as a proxy. All responsibility shall fall on the student organization's acting advisor.

Contact the Associate Dean for Student Engagement should any questions or problems arise.

STUDENT ASSESSMENT

Assessment consists of the ongoing, systematic collection of data and information across the institution that can be used to validate the accomplishment of the university's mission and facilitate improvement of programs and services. The university routinely conducts campus-based surveys and evaluations of student attitude, achievement, and satisfaction. Such studies are grouped under the heading of student outcome assessment. Various types of outcome assessments are used to measure the correspondence between the claims CSU makes for its programs and services and what is achieved. The methods and results of many of our outcome assessments are used to provide evidence to agencies to ensure CSU remains accredited. While every student is not selected for participation in every assessment activity, it is likely that an individual student will be involved in one or more assessment activities while at CSU. Although student participation in a survey completion will often be voluntary, it is only through cooperative participation in the assessment process that students can help make the CSU experience the best it can be.

FINANCIAL INFORMATION

Payment of Accounts

The registration of a student signifies the assumption of definite obligations between the university and the student. It is an agreement by the student and the student's parents/guardians to fulfill the financial terms as stated in the catalog.

All accounts for the semester's expenses are due and payable by the first day of class. Students may also choose to enroll in a convenient monthly payment plan. If arrangements have not been made with the Business Office to satisfy an account within one week after the drop/add date, the student may not be allowed to preregister for future semesters. The Business Office accepts VISA, Mastercard, and Discover.

Billing

Students will be billed according to their tuition classification. Tuition classification will be determined by the student's official registration (including all official drop/adds) processed through the Registrar's Office by the last due date for adding a class.

Bills for each semester are posted online and may be accessed through the student's MyCSU account. Preliminary bills are posted online approximately two weeks prior to the semester. This bill reflects charges and aid as they are at that time. These items are subject to change. Final bills are posted online after the drop/add period ends. The bill will reflect total charges and financial aid for the semester based on registration.

Refunds

Refunds begin processing after final aid and charges have posted; approximately 3-5 weeks into each semester. Students are encouraged to enroll in e-refunds through his or her MyCSU account to expedite receipt of funds. The refund deposits directly into the bank account of the student's choosing. Students who prefer their credit balance remain on the account for future charges should complete an L-Hold form to prevent the refund.

Refund Checks Issued in Error

The Business Office makes every effort to issue refund checks as quickly as possible. Due to this emphasis, on rare occasions, amounts are refunded in error. The university has the right and will reclaim these funds.

BUC CARD TERMS AND CONDITIONS

Nature of Account

The university agrees to accept and to hold for the benefit of the Holder, and exclusively for the purposes described herein, funds prepaid by the Holder to a plan maintained by BucCard. Funds prepaid by the Holder to the BucCard account shall be applied to charges for goods and services made by the Holder using a BucCard account. The Holder understands and agrees that the BucCard account is not a credit card account and under no circumstances may debits or charges to the account result in a balance below zero. A BucCard account may not be used to obtain cash or cash advances under any circumstances.

Establishing Buccaneer Bucs Account

A BucCard Account is activated for the Holder no less than one business day after receipt of an initial deposit into account. Funds can be added via CSU's BucCard Central website, through MyCSU. To prevent unauthorized use of their card, additional identification may be required from any person attempting to access the Holder's plan. There is no daily limit on the number of purchases that may be made and debited to the plan; however, you may not exceed the amount of funds on the plan at that time.

Lost or stolen cards

The holder should immediately report any lost or stolen BucCard to the Security Office during business hours in person, or you may immediately deactivate a lost or stolen card by reporting the loss online through [BucCard Central](#).

Holder's Liability for Unauthorized Purchase

If a BucCard is lost or stolen, you are responsible for all unauthorized transactions. Once the card is reported as lost or stolen, the BucCard (and its associated accounts) will be deactivated.

Error Resolution Procedures

You must call 843-863-8058 or write the Student Accounts Office, 9200 University Blvd, Charleston, SC 20406 as soon as possible if you believe there has been an error in connection with your plan. Such notification must include your name, CSU ID number, description of the error or transactions you are unsure about, an explanation of items believed to be in error, or why more information is requested, and the dollar amount of the suspected error. If notification is made orally, the university may require you send a complaint or question in writing within 10 business days. The university will inform you of the results of its investigation within 10 business days of the date the university hears from you and will promptly correct any error. If the university requires more time, we may take up to 45 days to investigate your complaint or question. In that case, the university will credit your account within 10 business days for the amount you claim is in error, so you will have the use of the money during the time it takes to complete the investigation.

If you are asked by the university to put your complaint or question in writing and the university does not receive it within 10 business days, the university may not credit your account. If the university determines that there was no error, you will receive a written explanation within three business days after the conclusion of the investigation and immediately debit the account in the amount of credit. You may ask for copies of the documents used in the investigation.

Closing Plan | Refunds | Returns

Charleston Southern University reserves the right to close a Holder's account(s) at any time, and to refuse any application to establish a new account.
