To access an existing appointment, log in to WC Online.

Try logging in with your CSU student email and your best guess at the password you would have chosen. If that fails, attempt to "Reset your password" before you try to register for a new account.

If you've never been to the CSU Writing Center, then you don't already have an account. Click the blue "Register for an account" and use your CSU Student Email. There will be a short form to fill out, and then you will be able to log in.

Once you've created your appointment, you can log in and view it. Click on the box for your appointment (it may be a strange color such as yellow). A new window will open with the information you filled out.

Note: This allows you to modify the appointment or cancel it. This is also how you join an Online Tutoring appointment.

At the top of the form, you will see information including the type of appointment.

If you have selected Online Tutoring, you will see the words "Start or Join Online Consultation." Click these red words at the time of the scheduled appointment to interact with your tutor.

Hello there! I am so excited to be working with you. I love to read and write, and I have a cat named Tigerlily. I'm from the upstate, but I love it here in Charleston. I hope our session will be an encouraging learning experience. You can do this!
