Invocation: led by Chaplain Dietz

1. Treasurer’s Report:

Secretary/Treasurer Barnett gave a report for a total budget of \$5,837.29 with no expenditures this week. Which was approved by the judiciary chairman.

2. President’s Report:

Welcome to your second week, new senators. For covid updates Bailey Dinger will have more details on that in her report. But I can say thank you to those who came and helped with the forum. It went well and was one of our better student forums. I think the task force got to hear from the students which helped. The video is available by request. Second is that SGA’s participation in the Buctober as “scarers” at the BUCtober hay ride so we could see you. Keep it on the down low and no demonic stuff. Legislation has three appointments. And two bills up today. Feel free to craft your own legislation and we can help too so do not be afraid. Each of you has a committee so they can help. And the send it to the committee chairs then they will look it over then send it to the VP which then it will go on the roster. Oct. 22nd 12-1pm is the constituency. General student forum will be pushed back in November. I'm going to show you the committee roster so see where you are. Reach out if you really want to switch committees but we really tried.
