Transfer letters can be requested by calling our office at 803-647-2434.

An additional application is not required when requesting a transfer letter; doing so may cause a delay in processing your request. Please call our office to request a transfer letter and be ready to provide the following information:

- Student's name
- Student's Social Security number
- Student's current address
- Name of the school the student will be attending
- Location of the campus the student will be attending
